Die Kommende Kirche Die Botschaft Des Propheten Daniel:

Book of Daniel Henry O. Thompson, 2020-10-28 *Book of Daniel An Annotated Bibliography* This volume is one of a series of bibliographies on the books of the Bible This is the first volume of the series of bibliographies described in the series introduction in this case on the Book of Daniel in the Old Testament OT or the Hebrew Scriptures fTanakh Scholars for these bibliographies have been drawn from across the Judeo Christian perspective as well as across doctrinal perspectives These bibliographies should be of value to students and faculty to laity and professional to religious and academic groups for undergraduate and graduate study They should serve a significant role as reference works in libraries for the public the university and religious groups as well as individuals *Daniel* Norman W. Porteous, 1965-11-01 This volume a part of the Old Testament Library series explores the book of Daniel The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing **Die kommende Kirche** Walter Lüthi, 1937 *Theologische Ethik. 2. Entfaltung. - Teil 2. Ethik des Politischen* Helmut Thielicke, 1987 **Daniel** Norman Porteous, 1979 Here is an excellent and up to date commentary on Daniel that can be unreservedly commended There is a good though brief introduction in which especial attention is paid to the discussion of the literary affinities of Daniel The original translation takes account of all relevant recent work while the commentary is full and first class The author has read and digested a considerable amount of modern literature on Daniel and brought to it his own careful and balanced judgement His critical positions are rarely new but in the reviewer s opinion they are sound and sound judgement is better than novelty On many of the problems of the book an incredible amount has been written expressing an enormous variety of opinions Professor Porteous is not concerned with the history of interpretation and contents himself with a brief treatment of such questions presenting his own considered view or suspending judgement where a decision between competing views cannot be made with confidence More important than all such matters is the religious and theological value of the book and it is his attention to this that gives Professor Porteous s commentary its special quality and makes it a notable addition to the series for which it has been written Society for Old Testament Study Book List **Biblica** , DIE KOMMENDE KIRCHE. DIE BOTSCHAFT DES PROPHETEN DANIEL. VON WALTER LUETHI. Walter Lüthi, 1937 *A Theological Book List of Works in English, French, German, Portuguese, Spanish* Theological Education Fund, 1963 *A Theological Book List of Works in English, French, German, Portuguese, Spanish* , 1963 **Quartalschrift** , 1952
