## **Channels Of Discourse Reassembled Television And Contemporary Criticism:**

**Channels of Discourse, Reassembled** Robert C. Allen, 2005-10-25 Channels of Discourse fills a significant gap in the critical literature on television The eight distinguished scholars whose essays make up the collection consider commercial television in relation to the major strands of contemporary literary cultural and cinematic criticism *Channels of Discourse, Reassembled* Robert Clyde Allen, 1994 Deals with all aspects of television *Channels of Discourse* Robert Clyde Allen, 1987

*The Television Handbook* Jeremy Orlebar, 2011 The Television Handbook is a critical introduction to the practice and theory of television The book examines the state of television today explains how television is made and how production is organised and discusses how critical thinking about programmes and genres can illuminate their meanings This book also explores how developments in technology and the changing structure of the television industry will lead the medium in new directions The Television Handbook gives practical advice on many aspects of programme making from an initial programme idea through to shooting and the post p *Undead TV* Elana Levine, Lisa Parks, 2007-11-02 Critical studies of the popular television show BUFFY THE VAMPIRE SLAYER

**Television Studies** Jonathan Gray, Amanda D. Lotz, 2012 Major short introduction to the field of television studies Clearly lays out the birth of this discipline shows its links with other fields of study and explains key concepts and theoretical debates Includes interview material with scholars whose work has defined the field **Diversity and Inclusion in the Esports Industry** Mary L. Sheffer, Ryan Rogers, 2023-12-08 In theory esports should be inclusive regardless of gender race or ability however incidents in the world of esports indicate otherwise This collection provides an examination of diversity and inclusion in esports as contributors offer a way for readers to understand the history current issues and potential impacts of diversity and inclusion in the industry Through analyses of players games fans and broadcasts this book highlights the exponential growth of the industry alongside the burgeoning cultural importance of diversity and inclusion Ultimately Diversity and Inclusion in the Esports Industry contributes to an intersection of well established research areas to draw new insights as the industry continues to evolve Scholars of communication media studies game studies and sociology will find this book of particular interest Conspicuous Feminism on Television Anna Marie

Bautista, 2023-01-09 In *Conspicuous Feminism on Television* Gender Power and MeToo Anna Marie Bautista examines how the impact of the MeToo movement on the larger cultural discourse has not only prompted a critical scrutiny of gender and power on television but has also leveraged its popularity to commodify both oppressed and independent women This book delves into how the pervasive misogyny exposed by MeToo has generated configurations of conspicuous feminism in shows like *Big Little Lies* *The Marvelous Mrs Maisel* *Insecure* and *The Handmaid's Tale* These fictional depictions emphasize feminist themes relating to misogyny and abuse the silencing and deceptions that are preserved in order to uphold gendered power relations the challenging of established gender roles and identities and the integration of intersectional perspectives Bautista explores how these representations indicate a more complex awareness of systemic misogyny in popular television

series than in previous eras reflecting the impact of MeToo s aims to uncover and confront gendered inequality Scholars of television studies gender studies and popular culture will find this book of particular interest      *Television Series as Literature* Reto Winckler,Víctor Huertas-Martín,2022-01-19 This book explores how television series can be understood as a form of literature bridging the gap between literary and television studies It goes beyond existing adaptation studies and narratological approaches to television series in both its scope and depth The respective chapters address literary works themes tropes techniques values genres and movements in relation to a broad variety of television series while drawing on the theoretical work of a host of scholars from Simone de Beauvoir and Yuri Lotman to Ted Nannicelli and Jason Mittel and on critical approaches ranging from narratology and semiotics to empirical sociology and phenomenology The book fosters new ways of understanding television series and literature and lays the groundwork for future scholarship in a number of fields By questioning the alleged divide between television series and works of literature it contributes not only to a better understanding of television series and literary texts themselves but also to the development of interdisciplinary scholarship in the humanities      **MediaMaking** Lawrence Grossberg,2006 Taking a unique approach to the study of mass communication and cultural studies MediaMaking is a volume that presents the current knowledge about the relationship between media culture and society What sets this volume apart from competing texts is the approach taken and the distinguished scholarship Rather than examining each major medium separately newspapers books magazines radio television film the authors contend that mass communication cannot be studied apart from the other institutions in society and the other dimensions of social life each is shaping and defining the other They hold that media can only be understood in relation to their context institutional economic social cultural and historical As such this book explores the variety of ways in which the media are involved in our social lives The authors explore the different relationships between the media and the systems of social value and social differences that organize power in contemporary society They examine how the media are reproduced and consumed and what they produce in turn Theoretically and analytically organized with sections on media s relation to behavior politics media effects the public globalization organizations meaning and ideology this text offers students a more comprehensive understanding of the nature of media communication processes an absolutely necessary part of understanding contemporary life
