|------------------------------------------------------------------------|---------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. Would it make any sense to build nuclear weapons and test?          | That U.S. suspend the construction of heavy nuclear arms.                             | None.                                                                                                                                                                         |
| 2. Would anyone benefit if the U.S. to build the new weapons and test? | They would certainly produce a deterrent that was strong. The U.S. would follow suit. | They were worried about the U.S. becoming more like the Soviet Union. They thought that John F. Kennedy would change, planned action was needed at General Douglas MacArthur. |
| 3. Would anyone disagree with this?                                    | No.                                                                                   | Some people in Europe were not satisfied and also disagreed.                                                                                                                  |
| 4. Would the U.S. believe that the Soviets were sincere?               | No. The government had no intention of making any commitment.                         | The American public was surprised and would not take a commitment like this.                                                                                                  |
