Cases and Concepts in Comparative Politics: An Integrated Approach (First International Student Edition) Patrick H. O'Neil, Karl Fields, Donald Share, 2018

Governance and Politics of the Netherlands Rudy B. Andeweg, Galen A. Irwin, Tom Louwerse, 2020-08-27 The new fifth edition of this leading textbook provides a clear and comprehensive account of governance and politics in the Netherlands The book has been revised throughout to provide full coverage of recent developments and events including the latest proposals for constitutional reform The Netherlands has often been characterized as a place of political calm with a culture of cooperation and compromise in dealing with key political issues Now at a time when climate change and immigration are high on the political agenda the electorate is growing ever more unpredictable and political fragmentation makes forming majority coalitions increasingly difficult it is vital to question how the Dutch system will continue to achieve consensus With this in mind the authors take a comparative and analytical approach as they examine the features of the country's political system that have long made it a subject of study for political scientists Governance and Politics of the Netherlands provides both students and scholars with a complete and reliable introduction to a country whose small size belies its importance in comparative political analysis New to this Edition Fully revised and updated throughout to reflect the latest developments events and issues Cites the most recent data sources e.g. national election study and parliamentary study Discusses latest proposals for constitutional reform

The Political Economy of Regional Cooperation W. Andrew Axline, 1994 This book synthesizes development theory and empirical studies to present a comparative analysis of co operation in four regions in the developing world Asia ASEAN Latin America ANDEAN the Caribbean CARICOM and the South Pacific SPF
