To illustrate the possibilities, Boff turns to resources in Christian spirituality both ancient and modern from the vision of St. Francis of Assisi to cosmic christology.

**Salt, Light, and a City, Second Edition** Graham Joseph Hill, 2020-07-24. Jesus is calling his church to be a multiethnic and missional people who listen and learn from the many voices of world Christianity. Graham Joseph Hill issues a moving call for churches to be missional by being conformed to the image of Jesus Christ. Hill does this by exploring the thinking of twenty-five Asian, African, Latin American, Indigenous, African American, diaspora, Caribbean, Oceanian, Eastern European, and Middle Eastern pastors and theologians. These are as diverse as Melba Padilla Maggay, Emmanuel Katongole, Lamin Sanneh, Oscar Muriu, Ruth Padilla DeBorst, Pope Francis, Richard Twiss, Lisa Sharon Harper, Willie James Jennings, Ada Maria Isasi Diaz, Soong Chan Rah, and Mitri Raheb. These voices show us the future of missional churches in world Christianity. When churches are conformed to Christ, they make disciples, heal a broken world, and witness to Jesus and his gospel. Jesus forms us in his image and moves us to be a people of shalom, humility, character, justice, peace, wisdom, prayer, beauty, and witness. The church has had a Reformation, but now it needs a Conformation. Hill explores biblical themes and the voices of world Christianity to show that a missional church is conformed to the image of the incarnate, crucified, resurrected, and glorified Christ. Conformity to Christ is the heart of missional ecclesiology and discipleship.

**World Christianity** Graham Joseph Hill, 2024-10-08. World Christianity: An Introduction provides an accessible introduction to the discipline, methodology, and field of world Christianity. In this book, Graham Joseph Hill engages with more than one hundred high-profile Majority World and First Nations Christian leaders to learn what they can teach the West about mission, leadership, hospitality, creation care, education, worship, and more. Hill challenges the Western church to move away from a Eurocentric and Americentric view of church and mission and he calls for the church to engage with crucial paradigm shifts in world Christianity. The future of the global church, including the churches in the West, exists in these global exchanges. World Christianity is an indispensable guide for the church as it navigates the unique global experiences of the twenty-first century.

**On Earth as It Is in Heaven** David Vincent Meconi S.J., 2016. With the recent publication of Pope Francis's encyclical *Laudato Si'*, many people of faith have found themselves challenged to seek new ways of responding to serious ecological questions essential to the flourishing of all creatures. *On Earth as It Is in Heaven* brings together fifteen top scholars to consider pressing contemporary environmental concerns through the lens of Catholic theology. Drawing from ancient Christian sources, the contributors delve into such diverse topics as equitable food distribution, responsible procreation, land stewardship, evolutionary theodicy, and poverty and providence. A concluding essay addresses the liturgy as the space in which all creation is consecrated before the cross of Christ. Allowing the earliest Church Fathers and voices from the Christian tradition to speak to our unique circumstances today, this engaging volume shows that
