Crystal Gardens Ladies Of Lantern Street Novels:

Crystal Gardens Amanda Quick, 2013-03-26 New York Times bestselling author Amanda Quick delivers a promising start to a Victorian era series with the first Ladies of Lantern Street novel. Evangeline Ames has rented a country cottage far from the London streets where she was recently attacked. Fascinated by the paranormal energy of nearby Crystal Gardens, she finds pleasure in sneaking past the wall to explore the grounds. And when her life is threatened again, she instinctively goes to the gardens for safety. Lucas Sebastian has never been one to ignore a lady in danger, even if she is trespassing on his property. Quickly disposing of her would be an assassin; he insists they keep the matter private. There are rumors enough already about treasure buried under his garden and occult botanical experiments performed by his uncle who died of mysterious causes. With Evangeline's skill for detection and Lucas's sense of the criminal mind, they soon discover that they have a common enemy. And as the energy emanating from Crystal Gardens intensifies, they realize that to survive, they must unearth what has been buried for too long.

Crystal Gardens Amanda Quick, 2012-04-24 Welcome to the sensational new Ladies of Lantern Street series by Amanda Quick where the lives of the Victorian gentry are filled with secrets and secret powers. Novelist and professional companion Evangeline Ames has rented a cottage on the outskirts of Little Dixby, far from the London streets where she was recently attacked. Fascinated by the paranormal energy of nearby Crystal Gardens, she instinctively goes there for safety where she meets Lucas Sebastian. Lucas and Evangeline immediately sense each other's psychic talents as well as their mutual desire. But who wants Evangeline dead? With Evangeline's skill for detection and Lucas's sense of the criminal mind, they soon discover that they share a common enemy. And as the dangerous energy emanating from Crystal Gardens grows stronger, they realize that to survive, they must unearth what has been buried for too long.

Otherwise Engaged Amanda Quick, 2015-03-31 The New York Times Bestseller Miss Amity Doncaster, world traveler, is accustomed to adventure and risk. Benedict Stanbridge, a man of science and a spy for the Crown, has faced danger in the darker corners of foreign lands. Now they are about to face a threat that is shockingly close to home. One does not expect to be kidnapped on a London street in broad daylight. Yet Amity Doncaster barely escapes with her life after she is trapped in a carriage with the killer known in the press as the Bridegroom. He is unwholesomely obsessed by her scandalous connection to Benedict Stanbridge. Gossip about their hours alone in a ship's stateroom seems to have crossed the Atlantic faster than any sailing vessel could. Benedict refuses to let this resourceful, daring woman suffer for her romantic link to him, as tenuous as it may be. For a man and woman so skilled at disappearing, so at home in the exotic reaches of the globe, escape is always an option. But each intends to end the Bridegroom's reign of terror in London. And as they join forces and prepare to confront an unbalanced criminal in the heart of the city they love, they must also face feelings that neither can run from.
