Canal cruises a copy of David McCullough's definitive Panama Canal book THE PATH BETWEEN THE SEAS THE CREATION OF THE PANAMA CANAL 1870 1914 It took me a while to realize that although it is the definitive story of the Canal it is also a long and heavily footnoted historical tome so in many cases folks just stuck it on their book shelf I had a captain once tell me Richard I'm trying to read it but I keep falling asleep I told him to stick with it and once he got through the first 150 pages he'd be hooked and he was But since 1914 over a million ships have passed through the Canal the Canal Zone has ceased to exist and the Canal has been returned to the people of Panama The Canal is being massively expanded and even while the expansion is being completed engineers of the Canal de Panam are beginning plans for yet another expansion that will be able to accommodate the newest and largest class of container ships yet ships that carry over 18 000 containers While lecturing on ships transiting the Canal I realized that there was a need for a simpler and more current book a book written for cruise passengers that included information about the Panama as information about the Canal I wanted to write a book that would be helpful to folks planning a Panama Canal trip as well as serve as a guide during the voyage Detrich recalls the time I had just completed a lecture in the show lounge on a ship scheduled to transit the Canal After the talk as I walked out of the lounge I was behind two ladies both in their early 60s and I overheard one say to the other I didn't know the Canal was man made Here these gals were taking the bucket list trip of a lifetime through one of the great wonders of the world and they didn't have a clue A good trip has three memorable parts anticipating and planning taking the trip and reliving the experience when you get home PANAMA CANAL DAY AN ILLUSTRATED GUIDE TO CRUISING THE PANAMA CANAL will help you understand the history of Panama and its Canal let you know what to expect and if you have a port call in Panama know what there is to see and do Lavishly illustrated with both historical photographs and actual photos of the ship in the Canal including behind the scenes shots of Canal Day on the bridge PANAMA CANAL DAY AN ILLUSTRATED GUIDE TO CRUISING THE PANAMA CANAL will help you anticipate the adventure of your own Canal Day **Panama Canal Day** Richard Detrich, 2017-06-10 Panama Canal Panama Panama Canal Cruise Panama Canal Cruise Guide
