Cultural Patronage Of Medieval Women:

The Cultural Patronage of Medieval Women June Hall McCash, 1996 The Cultural Patronage of Medieval Women is the first volume exclusively devoted to an examination of the significant role played by women as patrons in the evolution of medieval culture The twelve essays in this volume look at women not simply as patrons of letters but also as patrons of the visual and decorative arts of architecture and of religious and educational foundations Patronage as a means of empowerment for women is an issue that underlies many of the essays Among the other topics discussed are the various forms patronage took the obstacles to women's patronage and the purposes behind patronage Some women sought to further political and dynastic agendas others were more concerned with religion and education still others sought to provide positive role models for women The amusement of their courts was also a consideration for female patrons These essays also demonstrate that as patrons women were often innovators They encouraged vernacular literature as well as the translation of historical works and of the Bible frequently with commentary into the vernacular They led the way in sponsoring a variety of genres and encouraged some of the best known and most influential writers of the Middle Ages Moreover they were at the forefront in fostering the new art of printing which made books accessible to a larger number of people Finally the essays make clear that behind much patronage lay a concern for the betterment of women

The Cultural Patronage of Medieval Women June Hall McCash, 1996 Twenty selected papers from the Sixteenth Annual Conference of the International Association for Philosophy and Literature Universite de Montreal May 1991 are loosely bound to the thesis of change Though the title refers to premodern and modern classifications the essays are primarily postmodern in attitude and include discussions of semantics semiotics hermeneutics Wittgenstein Nietzsche Marx historiography the theory of Roland Barthes the poetry of Celan and of course sexuality gender and politics in the writings of Lacan and Foucault Annotation copyright by Book News Inc Portland OR Women and Gender in Medieval Europe Margaret Schaus, 2006 Publisher description **Routledge Revivals: Women and Gender in Medieval Europe (2006)** Margaret Schaus, 2017-07-12 First published in 2006 Women and Gender in Medieval Europe examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE This reference work provides a comprehensive understanding of many aspects of medieval women and gender such as art economics law literature sexuality politics philosophy and religion as well as the daily lives of ordinary women Masculinity in the middle ages is also addressed to provide important context for understanding women's roles Additional up to date bibliographies have been included for the 2016 reprint Written by renowned international scholars and easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be a valuable resource on women in Medieval Europe *A Cultural History of Women in the Middle Ages* Kim M. Phillips, 2015-04-02 The medieval era has been described as the Age of Chivalry and the Age of Faith but also as the Dark Ages Medieval women have often been viewed as subject to a punishing misogyny which limited their legal

rights and economic activities but some scholars have claimed they enjoyed a rough and ready equality with men The contrasting figures of Eve and the Virgin Mary loom over historians interpretations of the period 1000 1500 Yet a wealth of recent historiography goes behind these conventional motifs showing how medieval women s lives were shaped by status age life stage geography and religion as well as by gender A Cultural History of Women in the Middle Ages presents essays on medieval women s life cycle bodies and sexuality religion and popular beliefs medicine and disease public and private realms education and work power and artistic representation to illustrate the diversity of medieval women s lives and constructions of femininity

Women in Medieval Europe 1200-1500 Jennifer Ward,2016-04-14 Women in Medieval Europe explores the key areas of female experience in the later medieval period from peasant women to Queens It considers the women of the later Middle Ages in the context of their social relationships during a time of changing opportunities and activities so that by 1500 the world of work was becoming increasingly restricted to women The chapters are arranged thematically to show the varied roles and lives of women in and out of the home covering topics such as marriage religion family and work For the second edition a new chapter draws together recent work on Jewish and Muslim women as well as those from other ethnic groups showing the wide ranging experiences of women from different backgrounds Particular attention is paid to women at work in the towns and specifically urban topics such as trade crafts healthcare and prostitution The latest research on women gender and masculinity has also been incorporated along with updated further reading recommendations This fully revised new edition is a comprehensive yet accessible introduction to the topic perfect for all those studying women in Europe in the later Middle Ages

The Cambridge Companion to Medieval Women's Writing Carolyn Dinshaw,David Wallace,2003-05-22 The Cambridge Companion to Medieval Women s Writing seeks to recover the lives and particular experiences of medieval women by concentrating on various kinds of texts the texts they wrote themselves as well as texts that attempted to shape limit or expand their lives The first section investigates the roles traditionally assigned to medieval women as virgins widows and wives it also considers female childhood and relations between women The second section explores social spaces including textuality itself for every surviving medieval manuscript bespeaks collaborative effort It considers women as authors as anchoresses dead to the world and as preachers and teachers in the world staking claims to authority without entering a pulpit The final section considers the lives and writings of remarkable women including Marie de France Heloise Joan of Arc Julian of Norwich Margery Kempe and female lyricists and romancers whose names are lost but whose texts survive
