

**DANCE TO THE
PIPER**
AGNES DE MILLE

INTRODUCTION BY
JOAN ACOCELLA

Dance To The Piper New York Review Classics

Henri Bosco

Dance To The Piper New York Review Classics:

Dance to the Piper Agnes de Mille, 2015-11-24 Born into a family of successful playwrights and producers Agnes de Mille was determined to be an actress Then one day she witnessed the Russian ballet dancer Anna Pavlova and her life was altered forever Hypnotized by Pavlova's beauty in that moment de Mille dedicated herself to dance Her memoir records with lighthearted humor and wisdom not only the difficulties she faced the resistance of her parents the sacrifices of her training but also the frontier atmosphere of early Hollywood and New York and London during the Depression This is the story of an American dancer writes de Mille a spoiled egocentric wealthy girl who learned with difficulty to become a worker to set and meet standards to brace a Victorian sensibility to contemporary roughhousing and who with happy good fortune participated by the side of great colleagues in a renaissance of the most ancient and magical of all the arts Dance in Musical Theatre

Phoebe Rumsey, Dustyn Martincich, 2023-12-14 From Oklahoma and West Side Story to Spring Awakening and Hamilton dance remains one of the most important and key factors in musical theatre Through the integration of song and dance in the dream ballets of choreographers like Agnes De Mille the triple threat performances of Jerome Robbins dancers the signature style creation by choreographers like Bob Fosse with dancers like Gwen Verdon and the contemporary identity driven work of choreographers like Camille A Brown the history of the body in movement is one that begs study and appreciation Dance in Musical Theatre offers guidelines in how to read this movement by analyzing it in terms of composition and movement vocabulary whilst simultaneously situating it both historically and critically This collection provides the tools terms history and movement theory for reading interpreting and centralizing a discussion of dance in musical theatre importantly with added emphasis on women and artists of color Bringing together musical theatre and dance scholars choreographers and practitioners this edited collection highlights musical theatre case studies that employ dance in a dramaturgically essential manner tracking the emergence of the dancer as a key figure in the genre and connecting the contributions to past and present choreographers This collection foregrounds the work of the ensemble incorporating firsthand and autoethnographic accounts that intersect with historical and cultural contexts Through a selection of essays this volume conceptualizes the function of dance in musical how it functions diegetically as a part of the story or non diegetically as an amplification of emotion as well as how the dancing body works to reveal character psychology by expressing an unspoken aspect of the libretto embodying emotions or ideas through metaphor or abstraction Dance in Musical Theatre makes dance language accessible for instructors students and musical theatre enthusiasts providing the tools to critically engage with the work of important choreographers and dancers from the beginning of the 20th century to today **The Sound of the One Hand**

Yoel Hoffman, 2016-12-06 When The Sound of the One Hand came out in Japan in 1916 it caused a scandal Zen was a secretive practice its wisdom relayed from master to novice in strictest privacy That a handbook existed recording not only the riddling koans that are central to Zen teaching but also detailing the answers to them seemed to mark Zen as rote not

revelatory For all that The Sound of the One Hand opens the door to Zen like no other book Including koans that go back to the master who first brought the koan teaching method from China to Japan in the eighteenth century this book offers in the words of the translator editor and Zen initiate Yoel Hoffmann the clearest most detailed and most correct picture of Zen that can be found What we have here is an extraordinary introduction to Zen thought as lived thought a treasury of problems paradoxes and performance that will appeal to artists writers and philosophers as well as Buddhists and students of religion

The Seven Madmen Roberto Arlt,2015-12-22 A weird wonder of Argentine and modern literature and a crucial work for Julio Cort zar The Seven Madmen begins when its hapless and hopeless hero Erdosain is dismissed from his job as a bill collector for embezzlement Then his wife leaves him and things only go downhill after that Erdosain wanders the crowded confusing streets of Buenos Aires thronging with immigrants almost as displaced and alienated as he is and finds himself among a group of conspirators who are in thrall to a man known simply as the Astrologer The Astrologer has the cure for everything that ails civilization Unemployment will be cured by mass enslavement Mountains will be hollowed out and turned into factories Mass enslavement will be funded by industrial scale prostitution That scheme will be kicked off with murder D you know you look like Lenin Erdosain asks the Astrologer Meanwhile Erdosain struggles to determine the physical location and dimensions of the soul this thing that is causing him so much pain Brutal uncouth caustic and brilliantly colored The Seven Madmen takes its bearings from Dostoyevsky while looking forward to Thomas Pynchon and Marvel Comics Eros at the Piano William Westney,2023-06-05 Bold and insightful Anthony Tommasini former chief classical music critic The New York Times A new book by William Westney author of the bestselling The Perfect Wrong Note takes a fresh and creative look at the human dimension of classical music making and why it matters more than ever in the contemporary world Eros at the Piano takes readers on a remarkable journey combining intellectual vigor with down to earth wisdom for performers teachers and students Using a conversational tone and rich with cross disciplinary insight Westney weaves together the philosophical concept of Eros with the art and practice of classical musicians Why Eros Eros was the ancient Greek god not only of love and sensuality but of all human creativity and interconnectedness symbolizing a great realm of feeling and of wordless understanding It has always been a challenge to capture in words the ineffable experience of music Eros offers a useful concept a way to refer to that embodied realm of knowing and it can inspire virtually every aspect of musical life practicing teaching technique and connecting with audiences Westney draws upon a lifetime as concert artist and educator to bring to life a refreshing vision of classical music today Malicroix Henri Bosco,2020-04-07 Fans of the style of William Faulkner will want to read Henri Bosco four time nominee for the Nobel Prize in Literature Available in English for the first time Malicroix tells the story of a recluse living in the French countryside unraveling how he came to a life of solitude Henri Bosco like his contemporary Jean Giono is one of the regional masters of modern French literature a writer who dwells above all on the grandeur beauty and ferocious unpredictability of the natural world Malicroix set in the early nineteenth century is

widely considered to be *Bosco's* greatest book Here he invests a classic coming of age story with a wild mythic glamour A nice young man of stolidly unimaginative good bourgeois stock is surprised to inherit a house on an island in the Rhone in the famously desolate and untamed region of the Camargue The terms of his great uncle's will are even more surprising the young man must take up solitary residence in the house for a full three months before he will be permitted to take possession of it With only a taciturn shepherd and his dog for occasional company he finds himself surrounded by the huge and turbulent river always threatening to flood the island and surrounding countryside and the wind battering at his all too fragile house shrieking from on high And there is another condition of the will a challenging task he must perform even as others scheme to make his house their own Only under threat can the young man come to terms with both his strange inheritance and himself

The End of Me Alfred Hayes, 2020-06-09 A moving tale about middle age divorce modern love and returning home by one of the great American storytellers Asher's career as a Hollywood screenwriter has come to a humiliating end so has his latest marriage Returning to New York where he grew up he takes a room at a hotel and wonders what well into middle age as he is he should do next It's not a question of money it's a question of purpose maybe of pride In the company of the arch young poet Michael Asher revisits the streets and tenements of the Lower East Side where he spent his childhood though little remains of the past Michael introduces Asher to Aurora perhaps his girlfriend who to Asher's surprise seems bent on pursuing him too Soon the older man and his edgy young companions are caught up in a slow strange almost ritualized dance of deceit and desire *The End of Me* a successor to Hayes's *In Love* and *My Face for the World to See* can be seen as the final panel of a triptych in which Alfred Hayes anatomizes with a cool precision and laconic lyricism that are all his own the failure of modern love The last scene is the starkest of all

I Used to Be Charming Eve Babitz, 2019-10-08 Previously uncollected nonfiction pieces by Hollywood's ultimate It Girl about everything from fashion to tango to Jim Morrison and Nicholas Cage With Eve's Hollywood Eve Babitz lit up the scene in 1974 The books that followed among them *Slow Days* *Fast Company* and *Sex and Rage* have seduced generations of readers with their unfailing wit and impossible glamour What is less well known is that Babitz was a working journalist for the better part of three decades writing for the likes of *Rolling Stone* *Vogue* and *Esquire* as well as for off the beaten path periodicals like *Wet* *The Magazine of Gourmet Bathing* and Francis Ford Coppola's short lived *City* Whether profiling Hollywood darlings getting to the bottom of health crazes like yoga and acupuncture remembering friends and lovers from her days hobnobbing with rock stars at the Troubadour and art stars at the Ferus Gallery or writing about her beloved misunderstood hometown Los Angeles Babitz approaches every assignment with an energy and verve that is all her own *I Used to Be Charming* gathers nearly fifty pieces written between 1975 and 1997 including the full text of Babitz's wry book length investigation into the pioneering lifestyle brand Fiorucci The title essay published here for the first time recounts the accident that came close to killing her in 1996 it reveals an uncharacteristically vulnerable yet never less than utterly charming Babitz

Sketches of the Criminal World

Varlam Shalamov, 2020-01-14 The astonishing follow up to 2018's Kolyma Stories In 1936 Varlam Shalamov a journalist and writer was arrested for counterrevolutionary activities and sent to the Soviet Gulag He survived fifteen years in the prison camps and returned from the Far North to write one of the masterpieces of twentieth century literature an epic array of short fictional tales reflecting the years he spent in the Gulag Sketches of the Criminal World is the second of two volumes the first Kolyma Stories was published by NYRB Classics in 2018 that together constitute the first complete English translation of Shalamov's stories and the only one to be based on the authorized Russian text In this second volume Shalamov sets out to answer the fundamental moral questions that plagued him in the camps where he encountered firsthand the criminal world as a real place far more evil than Dostoyevsky's underground How does someone stop being human and How are criminals made By 1972 when he was writing his last stories the camps were being demolished the guard towers and barracks razed Did we exist Shalamov asks then answers without hesitation I reply We did

Guston in Time Ross Feld, 2022-05-24 In this warm and vibrant work of memoir and criticism a young writer forges a friendship with Philip Guston one of the most influential and controversial painters of the twentieth century The late work of Philip Guston has had a profound influence on painters today but as Guston's star has risen it has been forgotten how scandalous these paintings with their cartoonish imagery and almost fumbling application of paint were initially deemed to be The 1970 show at the Marlborough Gallery in which Guston abandoning the delicate abstract expressionism for which he was known revealed his new style was critically savaged In the aftermath of this drubbing he retreated to his studio in Woodstock New York in part to nurse his wounds but more important to go on painting exactly as he saw fit Ross Feld a young poet novelist and critic was one of the rare critics to respond favorably to Guston's late work Guston answered with a grateful note and a new friendship was soon born Guston in Time written not long before Feld's early death from cancer is a portrait of Guston the man and of his wife Musa a major figure not only in his life but in his work a reckoning with his supremely individual achievement as an artist and a work of art in its own right A retrospective of Guston's work Philip Guston Now will be on view at the Museum of Fine Arts Boston from May 1 to September 11 2022 at the Museum of Fine Arts Houston from October 23 2022 to January 15 2023 at the National Gallery of Art Washington D C from February 26 to August 27 2023 and at the Tate Modern London from October 3 2023 to February 4 2024
