everything fell apart Now as she returns to Progress with plans to settle in and open a stylish home design shop Tory is determined to find a measure of peace and free herself from the haunting visions of the past As she forges a new bond with Cade Lavelle Hope s older brother and the heir to the family fortune she isn t sure whether the tragic loss they share will unite them or drive them apart But she is willing to open her heart just a little and try But living so close to those unhappy memories will be more difficult and frightening than Tory could ever have expected Because Hope s murderer is nearby as well Roberts may have achieved her personal best in this tense Southern Gothic As atmospheric and unsettling as a Tennessee Williams play This is romantic drama at its best Publishers Weekly starred review
