Kallen,2012-08-01

October 9 1967 World renowned revolutionary Che Guevara is dead at the age of thirty nine The charismatic Argentinian revolutionary had been leading guerilla fighters in the jungles of Bolivia and was captured by the Bolivian army Mario Ter n a sergeant in the Bolivian army volunteered to execute the prisoner He carried out the bloody assignment with nine point blank shots to Guevara s body Around the globe reactions to the assassination were mixed In Cuba where Guevara had helped overthrow a brutally repressive dictatorship in 1959 more than one million people mourned openly But in the United States and elsewhere many business leaders and government officials were relieved Guevara s anti capitalist movement sought to strip big businesses of their land and power He wanted to set up socialist systems to spread wealth and resources among ordinary workers in Latin America and all around the world To the rich and powerful Guevara was a dangerous threat In this chronicle of an assassination find out what inspired the myth of Che Guevara and what brought him to this bloody crossroads of history **Congo Diary** Ernesto Che Guevara,2015-05-10 Featuring a foreword by Gabriel Garcia Marquez Che Guevara in Africa this book fills in the missing chapter in Che Guevara s life as head of the secret Cuban force that went to aid the liberation movement in the Congo against the Belgian colonialists in 1965 The idea was to prepare a group of Cubans for the mission to Bolivia as well as to assist African national liberation movements This diary remained unpublished for decades because of its controversial content but like his other diaries reveals Che s great literary gift his razor sharp intellect his dry wit and his brutal honesty Because this diary deals with what Che admits was a failure he examines every painful detail about what went wrong in order to draw constructive lessons for future expeditions This publication of the complete Congo Diary has been thoroughly revised by Che s widow Aleida March and published in association with the Che Guevara Studies Center in Havana Features Forewords by Gabriel Garcia Marquez Che Guevara in Africa and Che s daughter Aleida Guevara Twenty eight pages of unpublished photos Extensive notes and glossary explaining Swahili terms Backcover blurbs by Nelson Mandela and Gabriel Garcia Marquez **Ernesto Che Guevara** Dennis Abrams,2010 Examines the life of Ernesto Che Guevara who was a trained doctor writer military leader and radical activist The Story of Che Guevara Lucia Alvarez de Toledo,2013-10-01 Che Guevara is something of a symbol in the West a representative of Sixties counterculture and the face adorning the T shirts of a million student radicals But in the rest of the world he is something else a charismatic

revolutionary who redrew the political map of Latin America and gave hope to those resisting colonialism everywhere Lucia Alvarez de Toledo comes from the same social milieu as Che Guevara born and raised in Buenos Aires she was at school while he attended university and then as a journalist she closely followed his meteoric political rise As a result she is able to put him into context like few others among his biographers dispelling numerous popular misconceptions and revealing aspects to his life which have been missed before Based on interviews with Che s family and those who knew him intimately this is an accessible biography that concentrates on the man rather than the icon With the political developments in Latin America in the twenty first century Guevara s influence can be seen to be even greater than it was during his lifetime
