De Nederlandse Kerken En De Joden 1940-1945:

De Nederlandse kerken en de joden, 1940-1945 Johan M. Snoek, 1990 **The History of the Jews in the Netherlands** Hans Blom, R.G. Fuks-Mansfeld, I. Schöffers, 2001-12-01 This acclaimed history of the Jewish role in Dutch society through the ages now available in English considers the internal evolution of the Jewish community as well as the social cultural and economic interaction with the wider population This general survey should appeal to a wide public interested in the history of the Jews of the Netherlands Het Parool **Edith Stein and Companions** P. W. F. M. Hamans, 2010-01-01 On the same summer day in 1942 Saint Teresa Benedicta of the Cross Edith Stein and hundreds of other Catholic Jews were arrested in Holland by the occupying Nazis One hundred thirteen of those taken into custody several of them priests and nuns perished at Auschwitz and other concentration camps They were murdered in retaliation for the anti Nazi pastoral letter written by the Dutch Catholic bishops While Saint Teresa Benedicta is the most famous member of this group having been canonized by Pope John Paul II in 1998 all of them deserve the title of martyr for they were killed not only because they were Jews but also because of the faith of the Church which had compelled the Dutch bishops to protest the Nazi regime Through extensive research in both original and secondary sources P W F M Hamans has compiled these martyrs biographies several of them detailed and accompanied by photographs Included in this volume are some remarkable conversion stories including that of Edith Stein the German philosopher who had entered the Church in 1922 and later became a Carmelite nun taking the name Sister Teresa Benedicta of the Cross Several of the witnesses chronicled here had already suffered for their faith in Christ before falling victim to Hitler's Final Solution enduring both rejection by their own people including family members and persecution by the so called Christian society in which they lived Among these were those who also like Sister Teresa Benedicta perceived the cross they were being asked to bear and accepted it willingly for the salvation of the world Illustrated *Handbook of Dutch Church History* Herman J. Selderhuis, 2014-12-10 Herman Selderhuis as editor of this volume has brought together a team of experts resulting in a unique approach since each chapter is co written by a catholic and a protestant author who have all integrated the latest research results Each section begins with a brief historiographical overview The same time ecclesiastical events are always set within a greater framework of political social and cultural developments for which reason each author has taken the liberty to describe its own method The user will find in this book tables diagrams and illustrations Also many source texts are integrated in the narration Theses texts are intended to bring the described events and people closer to the reader and as it were to let them speak the words The name of the book as Handbook of the church history of the Netherlands immediately brings to mind three problematic complexes which are relevant to its user First there is the nature of a handbook that is intended to be a good tool but also has its limitations it stimulates and necessitates the use of further books Second the area The Netherlands is a plurality and that is also noticeable in its church history for each region town and village has its own church history Third the history of

the church for sure is the most important aspect but this history can only be understood if it is described in the context of political and social developments

Can a Seamless Garment be Truly Torn? Peter Steffen,Hans Evers,2014 The conversion of Lutz L b and Jenny van Gelder from Judaism to Roman Catholicism dramatically changed the lives of the extended L b family This scientific historical study traces the personal and spiritual journey of Lutz and Jenny from their baptisms in 1907 through the lives of their children The story benefits from historical documents and pieces of oral history from the only one of their eight children who survived the Nazi era Paula van Broekhoven L b The abbess of Koningsoord Abbey and the abbot of Koningshoeven Abbey generously provided access to the archives of the monasteries where the seven other L b children lived as nuns and monks of the L b family Each chapter begins with a citation from a significant situation or event placing the reader immediately within the

lived experience of that period Photos of the time and the family supplement the historical narrative The secret conversion of Lutz and Jenny and their lifelong witness to their faith created a tear in the fabric of the extended family while later leading to many idealized portrayals of them and their children It is the intent of this book to offer an accurate and balanced account situating the Catholic L b family within their extended Jewish family and to correct several decades of hagiography so restoring humanity and dignity to the memories of the L b family
