Project Management Theory and Practice, Third Edition Gary L. Richardson, Brad M. Jackson, 2018-07-27 Project Management Theory and Practice Third Edition gives students a broad and real flavor of project management Bringing project management to life it avoids being too sterilely academic and too narrowly focused on a particular industry view It takes a model based approach towards project management commonly used in all industries The textbook aligns with the latest version of the Project Management Institute's Project Management Body of Knowledge PMBOK Guide which is considered to be the de facto standard for project management However it avoids that standard's verbiage and presents students with readable and understandable explanations Core chapters align with the Project Management Institute's model as well as explain how this model fits real world projects The textbook can be used as companion to the standard technical model and help those studying for various project management certifications The textbook takes an in depth look at the following areas important to the standard model Work Breakdown Structures WBS Earned Value Management EVM Enterprise project management Portfolio management PPM Professional responsibility and ethics Agile life cycle The text begins with a background section Chapters 1-9 containing material outside of the standard model structure but necessary to prepare students for the 10 standard model knowledge areas covered in the chapters that follow The text is rounded out by eight concluding chapters that explain advanced planning approaches models and projects external environments Recognizing that project management is an evolving field the textbook includes section written by industry experts who share their insight and expertise on cutting edge topics It prepares students for upcoming trends and changes in project management while providing an overview of the project management environment today In addition to guiding students through current models and standards Project Management Theory and Practice Third Edition prepares students for the future by stimulating their thinking beyond the accepted pragmatic view *PgMP® Exam Practice Test and Study Guide, Third Edition* Ginger Levin, J. LeRoy Ward, 2012-01-20 Are you prepared to pass the Program Management Professional PgMP exam the first time around With the help of the PgMP Exam Practice Test and Study Guide Third Edition you can be Based on recent revisions to PMI's examination content outline which serves as the basis for the exam along with PMI's Standard for Program Management 2008 this book is the most comprehensive and up to date resource available to help you prepare for the exam Updated with new and changed terminology this edition incorporates the concepts from the five performance domains It has also refashioned the questions from some being definition based to all being scenario based The book features practical study hints a list of major topics covered on the exam and a bibliographic reference for further study The two

challenging 170 question practice tests included in the book and on the book's Web site simulate the PMI exam and will allow you to retake the practice tests as many times as you would like. Supplying an insider's look at the questions, phrases, terminology, and sentence construction you will encounter on the actual exam, this indispensable study tool was created to help you pass the exam and become PgMP certified. Watch co-author Ginger Levin discuss how the PgMP Exam Practice Test and Study Guide, Third Edition, can help you pass the PgMP exam the first time around: <http://www.youtube.com/watch?v=ONJCKM1hKAg>. Feature: *Program Governance*, Muhammad Ehsan Khan, 2014-09-05. Although program management has received much attention in recent books, program governance remains a relatively new subject. While selected books and standards touch on this important topic, few are devoted to program governance as a subject. This book fills that need. *Program Governance* provides a thorough understanding of governance while reviewing *Program Management*. Ginger Levin, 2016-04-19. Program management is a rapidly emerging offshoot of project management. So much so that AT&T, IBM, and other organizations, both large and small, in all sectors have initiated a push to certify program managers. And although universities offer courses in program management, there are few books available to guide program managers through this. **Practice Standard for Work Breakdown Structures - Third Edition**, Project Management Institute, 2019-06-27. The Work Breakdown Structure (WBS) serves as a guide for defining work as it relates to a specific project's objectives. This book supplies project managers and team members with direction for the preliminary development and the implementation of the WBS. Consistent with *A Guide to the Project Management Body of Knowledge (PMBOK) Guide, Sixth Edition*, the WBS Practice Standard presents a standard application of the WBS as a project management tool. Throughout the book, the reader will learn what characteristics constitute a high-quality WBS and discover the substantial benefits of using the WBS in every-day real-life situations. **Dictionary of Project Management Terms**, J. LeRoy Ward, 2008. More than 3,400 clear definitions of key terms, words, and phrases used by project and program managers around the world in every industry. A valuable desk or briefcase reference for those engaged in one of the world's fastest-growing professions and for those who work with them. **The AMA Handbook of Project Management**, Paul C. Dinsmore, Jeannette Cabanis-Brewin, 2006. The authoritative guide to project management, completely revised to meet the accelerating pace of today's project environment. *PMP Exam Practice Test and Study Guide*, J. LeRoy Ward, Ginger Levin, 2016-04-19. *PMP Exam Practice Test and Study Guide, Ninth Edition* uses self-study to help readers increase their chances of passing the PMP certification exam the first time. This spiral-bound edition includes 40 multiple-choice practice questions in each of the ten knowledge areas and in the professional and social responsibilities domain. It presents **PMP® Exam Practice Test and Study Guide, Ninth Edition**, J. LeRoy Ward, Ginger Levin, 2013-12-12. *PMP Exam Practice Test and Study Guide, Ninth Edition* uses self-study to help readers increase their chances of passing the PMP certification exam the first time.
