Children's Rights Progress And Perspectives:

Children's Rights: Progress and Perspectives Michael Freeman, 2011-10-28 More has been written about children childhood and children's rights in the last 20 years than in the rest of history There are more university courses focusing on children now than ever before The International Journal of Children's Rights has been a major player in all this Its impact is worldwide It has established itself as the leading journal in the field The journal is now in its 19th year and is flourishing This volume has been compiled not only to commemorate the journal's work but also the 20th anniversary of the Convention coming into operation and of the first World Summit on Children An anthology of the best articles published in these formative years this volume offers a representative sample of what the journal has achieved Some of the articles are ones which are frequently cited whilst others are less well known some deal with theory others with practice The case for children's rights is to be found throughout this collection as is the history of children's rights Some articles are devoted to the UN Convention others cover a wide selection of issues relating to different children's rights ranging from children and religion the relationship between women and children to children and health and how children perceive their rights

Children's Rights: New Issues, New Themes, New Perspectives Michael Freeman, 2018-02-27 This collection of essays by a variety of scholars compiled to celebrate the silver anniversary of The International Journal of Children's Rights builds on work already in the literature to reveal where we are now at and how the law concerned with children is reacting to new developments New or relatively new subject matter is explored such as film classification intersex genital mutilation the right to development Rights within the context of sport are given an airing We are offered new perspectives on discipline on the significance of rights flowing downhill on the so called General Principles The uses to which the CRC is put in legal reasoning in some legal systems is critically examined Though not intended as an audit the collection offers a fascinating image of where the field of children's rights is at now the progress that has been made and what issues will require work in the future

The Future of Children's Rights Michael Freeman, 2015-01-08 This volume is in part intended to celebrate the 25th anniversary of the United Nations Convention on the Rights of the Child We are now a generation on from its formulation and as this varied collection of articles by leading thinkers in the field reflects children's rights have come a long way Yet the aim of this volume is not to look back but to take stock and look forward It explores subjects as diverse as socio economic rights corporal punishment language and scientific progress as they relate to children and their rights and offers new insights and new ideas Edited by one of the most respected and leading scholars in the field The Future of Children's Rights constitutes a stimulating and useful resource for academics and practitioners alike

[Children's Rights](#), 2011 The International Journal of Children's Rights has been a major player in all this Its impact is worldwide It has established itself as the leading journal in the field The journal is now in its 19th year and is flourishing This volume has been compiled not only to commemorate the journal's work but also the 20th anniversary of the Convention coming into operation and of the first World Summit on

Children An anthology of the best articles published in these formative years this volume offers a representative sample of what the journal has achieved Some of the articles are ones which are frequently cited whilst others are less well known some deal with theory others with practice The case for children s rights is to be found throughout this collection as is the history of children s rights

Children's Rights to Participate in Out-of-Home Care Claudia Equit,Jade

Purtell,2022-11-30 For centuries residential child and youth care systems worldwide have provided homes for vulnerable children and adolescents The implementation of children s rights especially the right of participation is assessed as an important base for promoting the best interests of the child in an out of home care environment Featuring contributions from distinguished international authors this volume offers an in depth understanding of crucial participation processes and underlying power structures when involving young people in decision making about their care and everyday life in different out of home care institutions Contributions cover a broad spectrum of current research findings concerning the participation of young people in foster families and residential living groups in Australia Canada Germany Ireland Italy Portugal Norway Sweden and Switzerland as well as cross nationals perspective on children and young people s participation in foster and residential care placements in Great Britain and France The volume fills major gaps concerning the participation of young people in different out of home care and policy settings and will be required reading for policymakers researchers practitioners scholars and students interested in increasing opportunities for young people s participation and creating better out of home care settings for vulnerable young people

Children at the Borders Jonathan Josefsson,2016-12-15

In the wake of a steady flow of child migrants attempting to cross borders and states efforts to restrict immigration various public controversies have arisen about the rights of asylum seeking children The moral gap between the outcome of democratically enacted laws and the aim of controlling immigration on the one hand and public calls to protect the universal rights of asylum seeking children on the other have created a political challenge for Western democracies This thesis sets out to examine two particular settings in which norms about the rights of asylum seeking children and immigration control have been established and contested over the years the Swedish Migration Court of Appeal and Sweden s largest morning paper Dagens Nyheter It combines empirically oriented analysis with theoretical enquiry and it brings the issue of the rights of asylumseeking children into dialogue with the contemporary political philosophical debate about membership rights and borders I k lvattnet av en stadig str m av barn som migrerar ver statsgr nser har medial rapportering protester och offentliga diskussioner aktualiserat fr gor om asyls kande barns r ttigheter Det moraliska glappet mellan till mpningen av demokratiskt stiftade lagar i syfte att reglera invandringen ena sidan och offentliga krav p att skydda universella r ttigheter f r asyls kande barn andra sidan har v xt fram som en samtida utmaning f r demokratiska stater att hantera I denna avhandling unders ks tv specifika arenor d r normer om asyls kande barns r ttigheter och immigrationskontroll har etablerats och ifr gasatts under de senaste ren den svenska Migrations verdomstolen och Sveriges st rsta morgontidning Dagens Nyheter Avhandlingen

kombinerar empiriska analyser med teoretiska underskningar om asyls kande barns r ttigheter i dialog med en samtida politisk filosofisk diskussion om medlemskap r ttigheter och gr nser *Rewriting Children's Rights Judgments* Helen Stalford, Kathryn Hollingsworth, Stephen Gilmore, 2017-11-02 This important edited collection is the culmination of research undertaken by the Children's Rights Judgments Project This initiative involved academic experts revisiting existing case law drawn from a range of legal sub disciplines and jurisdictions and redrafting the judgment from a children's rights perspective The rewritten judgments shed light on the conceptual and practical challenges of securing children's rights within judicial decision making and explore how developments in theory and practice can inform and re invigorate the legal protection of children's rights Collectively the judgments point to five key factors that support a children's rights based approach to judgment writing These include using children's rights law and principles drawing on academic insights and evidence endorsing child friendly procedures adopting a children's rights focused narrative and using child friendly language Each judgment is accompanied by a commentary explaining the historical and legal context of the original case and the rationale underpinning the revised judgment including the particular children's rights perspective adopted the extent to which it addresses the children's rights deficiencies evident in the original judgment and the potential impact the alternative version might have had on law policy or practice Presented thematically with contributions from leading scholars in the field this innovative collection offers a truly new and unique perspective on children's rights *Non-violent Education as a Children's Right – A Human Rights-based Response to Child Sexual Abuse in Educational Institutions* Franz M. Wittmann, As stipulated in the 1989 UN Convention on the Rights of the Child protecting children from violence requires an approach looking beyond physical force in order to address all forms of violence or abuse including sexual abuse Through its reporting mechanism the 1989 CRC generates an unknown level of transparency and accountability in international relations Accordingly the role of the Holy See as a State party to the Convention has been traced over decades of early enthusiasm for implementing children's rights faithfully to aggressively rebuking the CRC Committee's authority eventually **Professional Practice in Child Protection and the Child's Right to Participate** Asgeir Falch-Eriksen, Karmen Toros, 2022-08-05 This book explains and discusses how a child's right to freedom of expression is upheld through practice and decision making in Child Protection Services CPS Using the right to expression as stipulated in Article 12 2 of the United Nations Convention on the Rights of the Child CRC as a point of departure it explains what CPS practices should look like and how they must operate to uphold and enforce the rights of the child by providing the opportunity to be heard in any administrative practice Current research literature documents extensively and across countries how either the voice of the child is not heard or alternatively the existence of a pro forma tokenistic approach to listening to the child throughout CPS practices Taking a three fold approach this book establishes a clearer connection between rights and professional practice according to Article 12 extrapolates how rights based practice is achieved during CPS practices provides a comprehensive answer to the challenge of implementing

Article 12 2 through policy and legislation It will be of interest to all students academic and professionals working within child protection including social workers probation officers health and social care workers lawyers and teachers The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license

Reconceptualising Unaccompanied Child Asylum Seekers and the Law Jennifer L. Whelan, 2022-09-30 Unaccompanied child asylum seekers are amongst the world's most vulnerable populations and their numbers are increasing The intersection of their age their seeking asylum and separation from their parents creates a specific and acute triple burden of vulnerability Their precariousness has long been recognised in international human rights law Yet human rights based responses have been subordinated to progressive global securitisation of irregular migration through interception interdiction extraterritorial processing and immigration detention Such an approach necessitates an urgent paradigm shift in how we comprehend their needs as children the impact of punitive border control laws on them and the responsibility of States to these children when they arrive at their borders seeking asylum This book reconceptualises the relationship between unaccompanied child asylum seekers and States It proposes a new conceptual framework by applying international human rights law childhood studies and vulnerability theory scholarship in analysing State obligations to respond to these children This framework incorporates a robust analysis of the operation and impact of laws on vulnerable populations a taxonomy for articulating the gravity of any consequent harms and a method to prioritise recommendations for reform The book then illustrates the framework's utility using Australia's treatment of unaccompanied children as a case study This book illuminates key learnings from human rights law childhood studies and vulnerability theory and transforms them into a new roadmap for law reform As such it will be a valuable practice based resource for practitioners non government organisations advocates policymakers and the general public interested in advocating for the rights of vulnerable populations as well as for academics researchers and students of human rights law refugee law childhood studies and vulnerability studies
