God, Why Am I Still Here Cletus Cottrell, 2020-03-03 As us four brothers were growing up I felt there was something different about us that just wasn t in conformity to other youngsters in our area This affected our lifestyle our schooling process and of course our lonely secluded family life We all want to grow up in a lovable happy home together like other kids in our neighborhood Just because we didn t have the nice clothes a big beautiful fancy house new car I didn t feel equal or the same as others We had to make the best of what we had on our rural farm then get uprooted and moved from one home to another that I began to feel abnormal or different Why did I feel this way why am I here and what was I supposed to do with my life I grew up not knowing what my real purpose in life was to be My horrible dealings with alcohol led me into depression suicidal tendencies and never ending sins of the world I was hurt from no parental love and felt lonely and abandoned abused and filled with guilt hate and anger at myself and many others It never left or went away I seemed like a no win case but it all changed when I went to my second rehab to get sober where I met a different person who changed the course of my life It was here that I was introduced to the Lord and Savior of the world Jesus It was he who kept me from further killing myself with alcohol and the devious works of Satan My life has changed drastically and was led to an awesome God who truly loves me It was soon after all this I met the first true love of my life Without her I would not have made it at all It s through the daily reading of God s Word and prayer that keeps me from backsliding down the wrong path again I m also hoping that through this book that if just one person who is suffering from the same problems gets just one helpful thing from it then this book was intended to be written and worth it Amen
