Scott, 2015-07-08 Excerpt from *The Capitol of Virginia and of the Confederate States Being a Descriptive and Historical Catalogue of the Public Square and Buildings and of the Statuary Paintings and Curios Therein* Some will say that this little book does not rise to the dignity of a preface We who have

prepared it cannot agree with them There are some words of courtesy to be written certain acknowledgments of obligation to be made that can be expressed so well no where else nor in any other manner Hence the preface In some measure it has been a work of compilation but by no means altogether so To two pamphlets of the late Colonel Sherwin McRae long the accomplished Librarian in charge to the researches of R A Brock Esq the scholarly Secretary of the Southern Historical Society Virginia and Virginians to the uniform courtesy and wide and accurate information of Dr William P Palmer and Dr B W Green and to the well and widely known Artist Mr W L Sheppard we owe much And we very cheerfully acknowledge it To mention such names as these in our preface as our advisers ought to be a sufficient Letter of Credit to our Catalogue Yet have made careful investigations of our own and have endeavored to prove all things and to state nothing categorically except on excellent authority What follows then is not a mere casting together of odds and ends picked up at random of the fruits of other people s labors but a statement in brief it is true of facts that have been verified with care and diligence facts too that illustrate and for the most part illuminate the history of Virginia There was need of such a work We hope the long felt want will be felt no longer but that this little book will fulfill its purpose in supplying it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
