Learning How to Learn, Learning How to Understand Wolfgang Fries, 2020-03-16 Well I was sent to school and I was told to learn But nobody ever took the time to tell me how to learn and worse nobody explained to me how understanding worked So it was up to me to find out what learning was all about and to find out how understanding worked Indeed there are tools with which this work can be done a thinking grid of how to understand No matter how you may choose to apply this knowledge I wish you success in whatever you hope to achieve There are countless books for teachers on how to teach and for students on how to learn but Learning How to Learn stands alone in the clear practical approach it takes in providing teachers students parents administrators and government officials the knowledge and skills needed to succeed in today's diverse educational settings It is more than just a philosophy of education It is a guide of incomparable value for students of all ages who aspire to be autonomous learners and for others experienced or novice who may be charged with planning programming and executing educational curricula and programs The many illustrative examples add to its exceptional readability and the book can be read in its entirety or used as a desk reference for specific topics Francis C Pengitore Ed D Adjunct Assistant Professor of Higher Education Administration

Philosophy of Life - The Book of Basics Wolfgang Fries, 2022-12-09 Philosophy should give the human being a mental basis that will allow man to lead a happy life and solve the problems of the now Philosophy does not consist of making things complicated and incomprehensible like today's degenerate philosophies do In this book no philosophical phrases are discussed in order to play mental soccer This book gives basics about life which one can apply to lead to a fulfilled happy existence Basic questions about life itself are solved What is life What is man Is it that a creature arose from mud by chance as science tells you Or is it that matter is motivated by a soul as the priest makes you believe Why does man think the way he thinks What is the goal of existence
