James Tasker, 2011-02-25 America is in trouble. Out of control spending. Massive debt. Political ineptness. Constitutional indifference. Corporate greed. Union corruption. Moral chaos. Biblical faith under attack. Militant Islam. Fifth column foes within and powerful enemies without. National weakness from top to bottom. Our very survival is at stake. Is there a way out, or is it too late? Our founding Fathers would be appalled but not surprised at the depth to which our once legitimately proud nation has plunged. Understanding the biblical view of fallen human nature, they built a cultural foundation based on Judeo-Christian Law and values unknown in the world before or since. But as brilliant as they were, they could not win the battle to keep the foundation intact for posterity. They charged each generation with that. *Restoring Cultural Foundations: A Wake Up Call to America* shows through a study of the Ten Commandments that a return to the Judeo-Christian principles on which the Founders built our nation is imperative for an orderly society and lasting liberty. Departing from God's ways, they believed, courted certain disaster. Written for families, businesses, and churches, the author lays out ways our nation can return to our foundation and regain our lost dignity, security, and well-being. *Official Gazette* Philippines. Bureau of Patents, Trademarks, and Technology Transfer, Philippines. Intellectual Property Office, *The School Arts Magazine* Pedro Joseph Lemos, 1924 School Arts Magazine, 1924
