Market_Desc: Primary Audience: Individuals self studying for the CEH exam who need a step by step guide to using hacking tools and understanding the hacking process. Also those either with 2 years of IT security experience or have attended a EC Council course and are looking for an exam preparation tool or need to update their CEH certification. Finally ideal for test takers looking for extra practice material such as the exams included on our CD. Secondary Audience: Ideal for those with the following job roles: chief security officers, auditors, security professionals, site administrators, and anyone who is concerned about the integrity of the network infrastructure. **Special Features:** Unique Certification. Unlike other popular Security certifications, the CEH is one of a kind certification designed to give the candidate an inside look into the mind of a hacker. **Only Study Guide Covering CEH v6:** This study aide will prepare certification candidates the latest release of the CEH exam. Ideal for those studying on their own or the perfect supplement to candidates taking the required CEH v6 course. **Security Professionals In Demand:** According to Computer Security Institute, one in three companies surveyed had a hacker attempt to hack into their system. The need for certified IT Security Professionals is also on the rise. **Security Spending on the Rise:** According to Forrester, companies are spending on average 10% of their IT budget on security, an increase of 20% from 2007. And 27% of companies surveyed plan to increase security spending in 2009. **About The Book:** The CEH certifies individuals in the specific network security discipline of Ethical Hacking from a vendor neutral perspective. A CEH is a skilled professional who understands and knows how to look for the weaknesses and vulnerabilities in target systems and uses the same knowledge and tools as a malicious hacker. This book provides a concise, easy to follow approach to this difficult exam. **Focusing 100% on the exam objectives:** the CEH Certified Ethical Hackers Study Guide is designed for those who feel they are ready to attempt this challenging exam. The book also comes with an interactive CD including two Bonus Exams, a series of Flashcards, and a Glossary of Key Terms.
