Paul Pennington, 2022-02-15 A Call to Follow Jesus When He Challenges Our Traditions There are many challenges to adequately representing Jesus to the majority world and often Western Christian traditions create unnecessary hindrances to people accepting His truth This book grew out of many interviews with Indian Jesus followers both Christians and Yesu bhaktas who identified painful stumbling blocks to receiving and sharing the gospel While Hindus often have a high view of Jesus they struggle with the conventions practices and labels around church Christian Barriers to Jesus uniquely challenges readers to examine nine barrier producing Christian traditions exploring The assumptions Christians may hold about the value origin or necessity of their customs The concerns Hindus commonly raise about traditions that confuse offend or alienate them Teachings from Jesus in Scripture that often question the same ideas or practices Pennington suggests that by not asking deep enough questions about what is essential for following Jesus and what is a non essential human invention the church is unnecessarily alienating millions of people from Him As a body it is time to honestly address these concerns developing new patterns of discipleship that reveal Jesus s heart for breaking down barriers instead of creating them The analysis presented in this book will empower readers to critically examine their personally cherished traditions and the purity of the gospel they present with insights that are relevant in all contexts *From Seed to Fruit (Revised and Enlarged Second Edition)* J.
