Demosthenes Of Athens And The Fall Of Classical Greece

Ian Worthington

Demosthenes Of Athens And The Fall Of Classical Greece:

Demosthenes of Athens and the Fall of Classical Greece Ian Worthington, 2015 The first ever biography of Demosthenes written in English for a popular audience set against the rich backdrop of late classical Greece and Macedonia

Demosthenes of Athens and the Fall of Classical Greece Ian Worthington, 2013 Regarded as ancient Greece's greatest orator Demosthenes lived through and helped shape one of the most eventful epochs in antiquity This biography's chronological arrangement brings Demosthenes vividly to life discussing his troubled childhood and youth the obstacles he faced in his public career his fierce rivalries with other Athenian politicians his successes and failures and even his posthumous influence as a politician and orator

The Rise and Fall of Classical Greece Josiah Ober, 2015-05-04 A major new history of classical Greece how it rose how it fell and what we can learn from it Lord Byron described Greece as great fallen and immortal a characterization more apt than he knew Through most of its long history Greece was poor But in the classical era Greece was densely populated and highly urbanized Many surprisingly healthy Greeks lived in remarkably big houses and worked for high wages at specialized occupations Middle class spending drove sustained economic growth and classical wealth produced a stunning cultural efflorescence lasting hundreds of years Why did Greece reach such heights in the classical period and why only then And how after the Greek miracle had endured for centuries did the Macedonians defeat the Greeks seemingly bringing an end to their glory Drawing on a massive body of newly available data and employing novel approaches to evidence Josiah Ober offers a major new history of classical Greece and an unprecedented account of its rise and fall Ober argues that Greece's rise was no miracle but rather the result of political breakthroughs and economic development The extraordinary emergence of citizen centered city states transformed Greece into a society that defeated the mighty Persian Empire Yet Philip and Alexander of Macedon were able to beat the Greeks in the Battle of Chaeronea in 338 BCE a victory made possible by the Macedonians' appropriation of Greek innovations After Alexander's death battle hardened warlords fought ruthlessly over the remnants of his empire But Greek cities remained populous and wealthy their economy and culture surviving to be passed on to the Romans and to us A compelling narrative filled with uncanny modern parallels this is a book for anyone interested in how great civilizations are born and die This book is based on evidence available on a new interactive website To learn more please visit <http://polis.stanford.edu>

Greek Rhetoric of the 4th Century BC Evangelos Alexiou, 2020-06-08 The interaction between orator and audience the passions and distrust held by many concerning the predominance of one individual but also the individual's struggle as an advisor and political leader these are the quintessential elements of 4th century rhetoric As an individual personality the orator draws strength from his audience while the rhetorical texts mirror his own thoughts and those of his audience as part of a two way relationship in which individuality meets opposes and identifies with the masses For the first time this volume systematically compares minor orators with the major figures of rhetoric Demosthenes and Isocrates taking into account other findings as well such as

extracts of Hyperides from the Archimedes Palimpsest Moreover this book provides insight into the controversy surrounding the art of discourse in the rhetorical texts of Anaximenes Aristotle and especially of Isocrates who took up a clear stance against the philosophy of the 4th century The Athenian Funeral Oration David M. Pritchard,2024-02 The most important study of the funeral oration for dead combatants in democratic Athens since Nicole Loraux's classic work Fake News in Ancient Greece Diego De Brasi,Amphilochios Papathomas,Theofanis Tsiampokalos,2024-12-02 Scholars have recognized that fake news is not a phenomenon peculiar to the 21st century While efforts for a more focused approach to fake news in the ancient world have been carried out in the field of Roman history the phenomenon of fake news in ancient Greece has received limited attention The contributions in this volume offer a selective approach to this phenomenon by applying media and cultural studies instruments to ancient texts They pinpoint parallels and differences between ancient and modern fake news by employing methods of literary and cultural studies as well as historical documentary analysis of ancient sources In particular they explore questions such as To what extent does reflection on the concepts of truth lie and opinion influence ancient Greek political rhetorical discourse What is the political or social function of embedding misleading information in ancient Greek historiographical texts or pamphlets Which intentions are pursued with the help of fake news in literary and documentary texts Can parallels be drawn with modern approaches to fake news Thus the volume investigates the mechanisms that historically lay behind the creation dissemination and adaptation of misleading information *Witnesses and Evidence in Ancient Greek Literature* Andreas Markantonatos,Vasileios Liotsakis,Andreas Serafim,2022-01-19 The fact that aspects of witnesses and evidence put them in the centre of the institutional and cultural e.g. religious literary construction of ancient societies indicates that it is important to keep offering nuanced approaches to the topic of this volume To advance knowledge of the processes of presenting witnesses and gathering or constructing evidence is in fact to better and more fully understand the ways in which deliberative Athenian democracy functions what the core elements of political life and civic identity are and how they relate to the system of using logos to make decisions For witnesses and evidence were important prerequisites of getting the Athenian citizenship and exerting the civic political identity as a member of the community It is important therefore all the matters that relate to information gathering and decision making to be examined anew Emphasis can be placed on a variety of genres to allow scholars recreate the fullest and clearest possible image about the witnessing and evidencing in antiquity Chapters in this volume include considerations of social political literary and moral theory alongside studies of the impact of information gathering and decision making in oratory and drama with a steady focus on the application of key ideas and values in social and political justice to issues of pressing ethical concern *Orality and Performance in Classical Attic Prose* Alessandro Vatri,2017-02-23 This study discusses the question of whether there is a linguistic difference between classical Attic prose texts intended for public oral delivery and those intended for written circulation and private performance Identifying such a difference which exclusively reflects these

disparities in modes of reception has proven to be a difficult challenge for both literary scholars and cultural historians of the ancient world with answers not always satisfactory from a methodological and an analytical point of view The legitimacy of the question is first addressed through a definition of what such slippery notions as orality and oral performance mean in the context of classical Athens reconstruction of the situations in which the extant prose texts were meant to be received and an explanation of the grounds on which we may expect linguistic features of the texts to be related to such situations The idea that texts conceived for public delivery needed to be as clear as possible is substantiated by available cultural historical and anthropological facts however these do not imply that the opposite was required of texts conceived for private reception In establishing a rigorous methodology for the reconstruction of the native perception of clarity in the original contexts of textual reception this study offers a novel approach to assessing orality in classical Greek prose through examination of linguistic and grammatical features of style It builds upon the theoretical insights and current experimental findings of modern psycholinguistics providing scholars with a new key to the minds of ancient writers and audiences [The Rise of Empires](#) Sangaralingam Ramesh,2018-11-11 This book describes and evaluates how institutional innovation and technological innovation have impacted on humanity from pre historical times to modern times and how societies have been transformed in history The author interrogates the relationship between innovation and civilisation particularly the dynamic whereby innovation leads to empire building and explores innovation efforts that stimulated economic and social synergies from the Babylonian Empire in 1900 BC up to the British Empire in the twentieth century The author uses historical cross cultural case studies to establish the factors which have given competitive advantages to societies and empires This book will be of interest to researchers and students in political economy economic history economic growth and innovation economics

Our Beloved Polites: Studies presented to P.J. Rhodes Delfim Leão,Daniela Ferreira,Nuno Simões Rodrigues,Rui Morais,2022-08-25 Twenty eight contributions pay tribute to one of the most remarkable historians of ancient Greece Professor P J Rhodes to celebrate his life and work which has been and will continue to be a major reference for scholars around the world The volume is organised in four sections History and Biography Law Politics and Epigraphy

FAQs About Demosthenes Of Athens And The Fall Of Classical Greece Books

What is a Demosthenes Of Athens And The Fall Of Classical Greece PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Demosthenes Of Athens And The Fall Of Classical Greece PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Demosthenes Of Athens And The Fall Of Classical Greece PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Demosthenes Of Athens And The Fall Of Classical Greece PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Demosthenes Of Athens And The Fall Of Classical Greece PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields

and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
