La dame aux camélias Alexandre Dumas, 1972 Camille Alexandre Dumas, 1937 The Lady of the Camellias Alexandre Dumas (fils), 2021-06-04 The Lady of the Camellias Alexandre Dumas fils *Camille* Alexandre Dumas, 2005-11-01 In my opinion it is impossible to create characters until one has spent a long time in studying men as it is impossible to speak a language until it has been seriously acquired Not being old enough to invent I content myself with narrating and I beg the reader to assure himself of the truth of a story in which all the characters with the exception of the heroine are still alive Eyewitnesses of the greater part of the facts which I have collected are to be found in Paris and I might call upon them to confirm me if my testimony is not enough And thanks to a particular circumstance I alone can write these things for I alone am able to give the final details without which it would have been impossible to make the story at once interesting and complete The Lady of the Camellias Alexandre Dumas, 1902 **La Dame Aux Camélias** Alexandre Dumas, 2000 This new translation successfully combines a feeling for the formal proprieties of Dumas's style with a supple and colloquial liveliness that once again proves this story irresistible **La dame aux camélias** Alexandre Dumas, 2022-11-19 Reproduction of the original **Camille (la Dame Aux Camélias)** Alexandre Dumas, 2018 Camille La Dame aux Camélias by Alexandre Dumas is a rare manuscript the original residing in some of the great libraries of the world This book is a reproduction of that original typed out and formatted to perfection allowing new generations to enjoy the work Publishers of the Valley's mission is to bring long out of print manuscripts back to life
