Damen The Marquette Family Book Two:

Damen (the Marquette Family Book Two) Tressie Lockwood, 2015-03-16 Damen's wife left him to raise his daughter alone. She said he was boring and she wanted something more. Since then he's lived a carefree life without the ties of a relationship to hold him down. The only female that matters to him now is his little girl and he'll give her whatever she wants. On impulse, Damen and his brother opened a restaurant called Marquette's in the heart of New Orleans' French Quarter and they're having amazing success. Everything feels right. There's absolutely nothing more Damen could ask for despite the nagging of his older brother who says he's not being true to himself. Then two things change Damen's world: two people rather. Heaven, an old lover, strolls into Marquette's and applies for a job, and a mysterious young boy with a love for music stirs Damen's protective instincts.

Illinois Catholic Historical Review, 1923 **The Columbian**, 1925 *A Chivalric Life* Jacques de Lalaing, 2022. First English translation of the chivalric biography of the foremost knight of the late Middle Ages. Jacques de Lalaing c. 1421-53 was undoubtedly the most famous knight at the court of the Burgundian duke Philip the Good, one who was celebrated in his own lifetime for the dazzling feats of arms that he performed in jousts across Europe during the 1440s. Serving the duke first as a councillor and ambassador to launch a new crusade and then as a fearless military leader on a campaign to put down a revolt by the town of Ghent, Lalaing tragically met his death at the siege of Poitiers at a relatively young age. The chivalric biography of Lalaing written in the early 1470s offers an entertaining and informative account of the life of a late medieval knight. Drawing on a variety of sources, it was designed not only to commemorate Jacques's deeds for posterity but also to encourage other young noblemen to imitate his shining example, with lavishly illuminated copies being made for members of his own family and other noble readers. This first English translation of the text, accompanied by an introduction and extensive notes based on new research into both archival and literary sources, aims to offer the reader an in-depth portrayal of Lalaing in the context of the chivalric dynastic and political culture of his day.

Mid-America, 1923 **The Marquette Family** Tressie Lockwood, Creed Creed Marquette has always done what it takes to make sure he and his brothers come out on top. He's seen despair and hunger in his life but as a newly declared billionaire in Forbes magazine, he still doesn't feel like this is it. There's something missing and the fact is, despite all his hard work, the past keeps rising to influence the present. He can't deny himself. To complicate matters, Creed's brothers, the irresponsible men that they are, have purchased a restaurant in New Orleans and they want Creed to join them. Leave the corporate world that got them where they are to go work a failing restaurant without experience. But this just might be what Creed's been looking for. Now all he needs to do is hire the chef, a sexy beauty with a smart mouth who almost killed him by serving him peanuts in his food. Well, Shada Howard did save his life while he was completely naked. Maybe New Orleans won't be so bad after all. Not if he can tame her and make her his. Damen. Damen's wife left him to raise his daughter alone. She said he was boring and she wanted something more.
