The Hanky of Pippin's Daughter Rosmarie Waldrop, 2001 These two novels explore the themes of physical and emotional exile and between ness In the first the narrator writes to her sister trying to come to terms with her ancestry and with what her parents did in Nazi Germany The second is set in Mexico City and explores a web of disparate ideas **Seed of My Father** Shaun Teller, 2019-11-29 Seed of My Father by Shaun Teller is a work of uncomfortable truth From her childhood days in Colorado to small town West Virginia the author takes us through unfortunate circumstances of homelessness and poverty Dreams of a better day sheltered a frail child from the brutality of instability and hopelessness In this eye opening page turner we are forced to confront the many truths society often ignores *Plunder* Brendan Ballou, 2023-05-02 The authoritative expos of private equity what it is how it kills businesses and jobs how the government helps and how we stop it Private equity surrounds us Firms like Blackstone Carlyle and KKR are among the largest employers in America and hold assets that rival those of small countries Yet few understand what these firms are or how they work In *Plunder* Brendan Ballou explains how private equity has reshaped American business by raising prices reducing quality cutting jobs and shifting resources from productive to unproductive parts of the economy Ballou vividly illustrates how many private equity firms buy up retailers medical practices prison services nursing home chains and mobile home parks among other businesses using little of their own money to do it and avoiding debt and liability for their actions Forced to take on huge debts and pay extractive fees companies purchased by private equity firms are often left bankrupt or shells of their former selves with consequences to communities that long depended on them Perhaps most startling is Ballou s insight into how this is happening with the active support of various arms of the government But as Ballou reveals in an agenda for reining in the industry private equity can be stopped from wreaking further havoc *Woman's Home Companion*, 1922
