Cln4u Final Exam And Answer:

Questions and Answers on the Final Examinations of the Law Society for Certificate of Fitness and Call to the Bar (Classic Reprint) Frank Leslie Webb, 2017-01-10 Excerpt from Questions and Answers on the Final Examinations of the Law Society for Certificate of Fitness and Call to the Bar The author's first motive was to supply himself with a complete collection of examination papers for his own use in preparing for the finals Having done this the idea occurred to him that it would be important for all students to have such a collection in order the more intelligently to make a practical application of the Principles of Law as contained in the thirty thousand pages prescribed by the Law Society to be read for the final examinations Accordingly he proceeded to write brief answers to the questions and in almost all cases referred to the Text Books Statutes or Rules from which the answer was taken so that it might easily be supplemented by fuller information if the student should desire to read further in respect of it The collection numbered over 800 and after excluding the repetitions and those which were answered in Roberts Questions and Answers on Criminal Law there remained about 500 questions which with the addition of the answers and the references embody the main Principles of Law to be especially noted by the student The student is recommended to read his Text Books carefully and then a study of this work should be of valuable assistance to him in fixing and applying the Principles The author is indebted to Mr D C Ross Barrister for a reading of the proof sheets while the work was passing through the press first published in 112 E. 1st St. N.
