Cloth Doll Face Patterns:

Cloth Doll Faces Ray Slater, 2021-02-09 Discover techniques and ideas to creating cloth faces filled with personality and fun in this book by leading international dollmaker and textile artist Ray Slater. Leading international dollmaker and textile artist Ray Slater reveals her secrets to creating faces in cloth filled with vibrancy and dynamism. The face is the most important and challenging part of a cloth doll, bringing life and personality to the character. Conceived as being the hardest part of the making process, creating the face is in fact easy to do and an enjoyable creative part of the making a cloth figure. Just by following a few simple rules, a whole world of wonderfully expressive fun characters can be created. This book will show every stage of how to create personality-packed faces, taking you from the initial inspiration, sources, the design and drawing process to the final colouring, sewing and embellishment of the head. Using just three basic face designs, flat, three-dimensional and collaged, Ray will show you how to create a fantastic collection of characters, giving tips on how to adjust their proportions, hues and positioning of the features to make a whole host of faces with different looks and expressions. Fully illustrated, step-by-step instructions break down the process of making each kind of face, as well as tips on little adjustments you can make to create your own unique doll. In addition, discover helpful galleries of eyes, noses and mouths to inspire you and provide further ideas for how to bring more personality to your doll's face. Finally, Ray has shared two body patterns in her book to suit all three head types so that you have the opportunity to develop the character of your dolls completely. Each body is fully demonstrated with clear photographs and detailed, stage-by-stage instructions, and body templates are included for you to easily recreate in the comfort of your home. Brimming with ideas and practical advice on this is an invaluable companion to cloth doll makers everywhere, whatever your skill. [Creative Cloth Doll Faces](#) Patti

Medaris Culea, 2011-02-09 The face is the most important feature of a doll; it is also the most challenging. So it is surprising that there is so little instruction available on creating doll faces. This book fills that void. Author Patti Medaris Culea began her career in art as a portrait painter and she puts that experience to work when creating her doll faces. In this book, she shows readers a simple technique for easily creating faces using her step-by-step approach. She gives her tips for how to divide the face into quadrants, graft features together and much more. Every aspect of doll making is covered, from the basics to detailed techniques for making the various faces, to instructions for putting a pattern together. Readers will learn how to use watercolor, pencils, acrylics and fabric paints to color a face, how to create a face using collage techniques, as well as stamping and beading and tips for working with stretchy fabrics to create indented eyes, separate eyelids and sculpted lips.

[Cloth Doll Faces](#) Ray Slater, 2021 [Dollmaking for the First Time](#) Miriam Gourley, 2006 Presents an introduction to dollmaking, looking at the materials and tools needed to make, decorate and clothe cloth and wooden dolls, and including instructions for twelve dolls, each of which illustrates a different dollmaking technique. [Cloth Doll Artistry](#) Barbara Willis, 2011-02-09 In this unique and beautiful book, beloved doll designer Barbara Willis guides readers through various

approaches to doll design and basic and advanced construction techniques Through the creation of three complete step by step projects readers will develop color boards learn to use vintage images create both 2 dimensional and 3 dimensional cloth dolls learn sophisticated costuming techniques and gain knowledge of elaborate soft sculpting A gallery shares the inspirational work of several well known doll artists who have created their own versions of each project Complete patterns and templates are included
