STAND TALL Teacher's Manual, Grades 4-6 Suzanne W. Peck, 2012-01-30 Stand Tall is a video based educational program that educates teachers and students in Grades 4-6 about how to respond to disrespectful behavior *STAND TALL Teacher's Manual & DVD, Grades 4-6* Suzanne W. Peck, 2012-02-02 Stand Tall is a video based educational program that educates teachers and students in Grades 4-6 about how to respond to disrespectful behavior **Doing History** Linda S. Levstik, Keith C. Barton, 2015-01-30 Now in its fifth edition Doing History offers a unique perspective on teaching and learning history in the elementary and middle grades Through case studies of teachers and students in diverse classrooms and from diverse backgrounds it shows children engaging in authentic historical investigations often in the context of an integrated social studies curriculum The premise is that children can engage in valid forms of historical inquiry collecting and analyzing data examining the perspectives of people in the past considering multiple interpretations and creating evidence based historical accounts Grounded in contemporary sociocultural theory and research the text features vignettes in each chapter showing communities of teachers and students doing history in environments rich in literature art writing discussion and debate The authors explain how the teaching demonstrated in the vignettes reflects basic principles of contemporary learning theory Doing History emphasizes diversity of perspectives in two ways readers encounter students from a variety of backgrounds and students themselves look at history from multiple perspectives It provides clear guidance in using multiple forms of assessment to evaluate the specifically historical aspects of children's learning **Using Children's Literature Across the Curriculum** Catherine M. O'Callaghan, 2011 This resource uniquely offers preservice and inservice teachers templates for using quality children's literature to implement six themes across grades K-8 The themes are based on national curriculum standards and text sets are carefully selected to facilitate discussion analysis and problem solving across the grades Using Children's Literature Across the Curriculum provides teachers with a guide to using multilayered texts to facilitate students attainment of critical literacy It is designed to be a supplemental text to guide teachers in designing literacy instruction The instructional sequence includes collaborative inquiry activities across the curriculum to extend each theme to math science technology and social studies Teachers are shown how to incorporate family literacy with a component entitled Home School Connections and to differentiate instruction for individual learners with a section entitled On Your Own Activities The theme concludes with a critical literacy activity that applies the content knowledge of the theme with collaborative inquiry A unique feature of the handbook is the emphasis on performance based assessment with each instructional sequence containing two rubrics for the teacher to implement The instructional sequences are meant as models for teachers to use in developing their own themes in order to facilitate critical literacy These models can be adjusted to fit the reading level of the students as teachers become more familiar with the text's structure and their students needs CBT with Justice-Involved Clients Raymond Chip Tafrate, Damon Mitchell, David J.
