PhD, 2016-06-02 This book is a guideline for anyone looking for answers on self healing and spiritual awakening It is a book on holistic healing of the body mind and spirit It is about understanding our life circumstances and how they affect our overall health It is about resolving those clouds of confusion and lifting them up to find our true essence which is love

Searching ... Donna Linn, Suzan J. Wells, 2018-09-27 Perhaps the way you have been living is no longer working for you or maybe you feel there must be more to life Do you feel you would like to try a different path Are you looking for something new You already have the answers to your questions you just need to reach out and take them Discover how to access them through the world of energy and healing You can create positive lasting change and experience new possibilities insight and understanding *Searching A Peek into the Invisible World of Energy and Healing* explores the many options for healing

available Healing yourself receiving healing and learning to give to others Twenty first century healing modalities Innovative modalities Established healing modalities Healing with the body Kick starting your healing In this simple and accessible guide coauthors Donna Linn and Suzan J Wells share their wisdom describe the things they wish they had known earlier and provide resources for further exploration You can change your energy and change your world The Healing Field Peter Mark Adams,2014-01-17 THE HEALING FIELD examines remarkable cases of healing and personal transformation made possible by a range of natural energy based healing techniques The anomalous experiences arising in these contexts throw fresh light on the timeless issues of the nature of consciousness reality and selfhood Through the unique lens of the energy healer we are able to discern a far more expansive positive and empowering view of our place within the larger web of life The experiences recorded in The Healing Field are based upon live cases derived from over 15 years of professional experience The insight and understanding arising from peoples lived experience goes far to relieving the anxiety fear and doubt that otherwise overshadows the vast majority of people Back Cover Text The Healing Field presents a collection of real life cases drawn from intensive energy healing work For over 15 years Peter and his wife Gulcan have been practicing and teaching energy psychology methods such as Emotional Freedom Techniques Tapas Acupressure Technique Reiki and breathwork to thousands of people Their research reinforces the idea of a healing and morally self correcting field of consciousness This concept is compatible with Rupert Sheldrakes Morphic Field The Healing Field illustrates how transpersonal fields of consciousness connect all life forms and provides powerful leverage to heal the vast range of issues not addressed by conventional medicine and therapy These issues often relate to Contracts made in the womb Merged identities Problems inherited from ancestors Past life traumas Near death experiences Interactions with deceased persons Spirit and entity attachment Spiritual experiences Encounters with higher order beings Each section carefully references scientific research making this book a unique bridge between science and energy healing Using simple natural techniques we can heal our emotional and physical issues In doing so we contribute towards healing the fields of consciousness that connect us all The Healing Field provides a reliable roadmap to help you chart a new course towards realizing your full potential in life *The Human Energy Field — Hidden Structures* Cathy Chapman,2020-06-18 In Western medicine health care practitioners learn physical anatomy There is another anatomy just as important the energetic anatomy If you have read the previous books in this series you not only learned about your spiritual anatomy some of which had never been revealed at least I d never heard about it but also how to heal these aspects of yourself Just by reading the healing experiences you receive the healing In this book you will learn about structures you might have heard of but know little about such as the minor chakras the hara line the core star and so forth You also will learn about structures you never knew about such as the heart s healing center In every case you are taught how to bring healing and clarity to these structures Things have happened to you in this amazing life of yours that hide the love you are When things happen there is damage to your energy

field A damaged energy field will result in damage to any of your bodies emotional mental spiritual and physical Because every aspect of you is part of an integrated whole when one part is damaged then all parts are affected in some way Read this book with an open heart Set your intention for healing Know that as you read with an open heart you are being healed Often the layers are many Every time you ask you are healed Even small healings have a powerful impact on you your life and those around you Each time you are healed that healing releases from you an energy that might have been triggered by another resulting in another person being wounded Your healing prevents a deep wound from moving across the planet which prevents someone else from being wounded which prevents another person from being wounded and on and on When you repair even the smallest part of your energy field you raise your vibration and life is easier
