Corpsewood The Eyewitness Account:

Murder at Corpsewood West, Scott, Teresa Hudgins, 2015-10-26 Nestled deep in the north Georgia woodlands are the ruins of an estate appropriately and ironically named Corpsewood The conservative residents of the small towns nearby all know of the two men who came from Chicago to live among them When the blood drenched bodies of the men were discovered there not long before Christmas the whole area is shocked by the heartless vicious nature of the crime They can't imagine who among them would commit such cold blooded murders and they are even more shocked when a pretty teenaged girl comes forward to say that she was an eyewitness and willing to tell what she knows The victims were two openly gay men and rumors soon circulated that they were devil worshippers who experimented with LSD and conducted Satanic rituals on the estate It was said they participated in wild sex filled orgies and even had their own pleasure palace built onto their home The buildings that once stood on the isolated grounds are now only brick remnants covered in ivy and slowly being absorbed back into the woods but strange tales persist and those who are brave enough to wander down the rutted dirt road and venture deep into the woods to explore the grounds tell stories of strange curses and hauntings Even now some thirty three years after what happened there nearly everyone in the area calls the place the devil worshippers house What was the truth of that night Only four people left alive really know what happened in that prophetically named house in the North Georgia hills no matter what others might claim The two murderers still sitting in prison have their self serving stories The other eyewitness isn't talking Only one of the eyewitnesses the former Teresa Lynn Hudgins is stepping forward again to tell the truth *The Corpsewood Manor Murders in North Georgia* Amy Petulla, 2016-08-08 The notorious true crime story of a sex party that ended in double murder in the woods of Chattooga County Georgia On December 12th 1982 Tony West and Avery Brock made a visit to Corpsewood Manor under the pretense of a celebration Then they brutally murdered their hosts Dr Charles Scudder had been a professor of pharmacology at Chicago's Loyola University before he and his boyfriend Joey Odom moved to Georgia and built their own home in the Chattahoochee National Forest Scudder had absconded with twelve thousand doses of LSD and had a very particular vision for their castle in the woods It included a pleasure chamber and rumors of Satanism swirled around the two men Scudder even claimed to have summoned a demon to protect the estate But when Scudder and Odom welcomed West and Brock into their strange abode they had no idea the men were armed and dangerous When the evening of kinky fun turned to a scene of gruesome slaughter the murders set the stage for a sensational trial that engulfed the sleepy Southern town of Trion in shocking revelations and lurid speculations Haunted North Georgia Jim Miles, 2012-11-20 Discover tales of ghosts and spirits from Chattooga to Fayette and beyond in this volume by a connoisseur of Georgia's paranormal related activity The Red Black From antebellum mansions to historic restaurants old mills and even an outhouse North Georgia is home to more than its fair share of ghosts In *Haunted North Georgia* author Jim Miles reveals the most terrifying ghost stories from each county in the region Reverend Robert William Bigham of
