Church Leadership Vision Team Culture Integrity Revised Edition:

Church Leadership Lovett Hayes Weems, 2010 The definitive guide to leading the congregation updated to meet the needs of today's church leaders *Church Leadership* Lovett H. Weems JR., 2010-10-01 Much has changed since the first edition of Lovett Weems's seminal work *Church Leadership* appeared in 1993 In that time a substantial literature about leading the congregation has appeared written from a broad variety of perspectives But in some ways little has changed in that time The need for leadership in the church defined as discovering the faithful future into which God is calling the congregation and walking with the congregation into that future is just as pressing as it ever was And for that reason the need for clear insightful thinking about leadership is just as great as it ever was In this revised edition Weems draws on the best new ideas and research in organizational leadership yet always with his trademark theological grounding foremost in mind Anyone who guides the life of a congregation be they clergy or laity will find *Church Leadership* the indispensable tool with which to follow their calling to be a church leader

The Right Questions for Church Leaders Lovett H. Weems JR., 2025-04-15 Creativity and innovation in your ministry begin with asking the right questions Unlock the power of wise questioning with this essential guide for church leaders Esteemed advisor Lovett H Weems Jr compiled lists of leadership questions over many years testing and analyzing them in local churches and other ministry settings This book is the culmination of that careful work It provides clusters of questions to help readers address their most perplexing ministry challenges The questions are organized into 14 categories including Personnel Expanding Reach and Impact Management Skills and Decision Making Each set of questions is accompanied by guidance on when and how to use them effectively The questions and other content are easy to grasp quickly so you and your teams will see immediate benefit And the questions apply in any denominational setting Whether your congregation is large or small these questions will steer you through critical issues with precision and insight Elevate your leadership skills spark creativity in your ministry and find the answers you need to succeed Begin by asking the right questions

Religious Leadership Sharon Henderson Callahan, 2013-06-20 This title tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths

Generosity, Stewardship, and Abundance Lovett H. Weems Jr., Ann A. Michel, 2021-05-09 God's purpose in calling us to lives of faithful stewardship and generosity isn't merely to sustain the church Rather the continued existence of the church is essential to sustain the powerful transformative message of our faith Lovett H Weems Jr and Ann A Michel present the Bible's redeeming and transforming message of generosity stewardship and abundance in this comprehensive guide to Christian financial responsibility The book provides practical advice to pastors and church leaders tasked with funding ministry and inspiring others toward responsible stewardship and greater generosity It addresses church fundraising

stewardship campaigns budgets financing capital needs endowments and innovative approaches to economic sustainability The book integrates the theological and practical dimensions of finance to empower congregational leaders to think critically about stewardship from a Christian perspective help them use their personal and congregational possessions in the light of faith

Focus Lovett H. Weems JR.,2012-02-01 Few would argue that many challenges face The United Methodist Church But what are the core issues and concerns the ones that must be addressed if the church is to follow God s leading into the future Laying aside what can be merely tweaked or adjusted what must the UMC reset about itself Lovett Weems one of the most highly respected interpreters of contemporary United Methodism suggests that we start with the following What will happen now that the increased giving that United Methodists have enjoyed despite declining membership numbers has reached a plateau and begun to decline Why with 34 000 congregations and 6 5 billion in annual giving can t United Methodists add a net increase of even 1 new disciple of Jesus Christ in a given year Why are United Methodist clergy less concerned with reaching young adults than are laity Why are laity unwilling to make the changes to worship and budgets required to attract these same young adults If the percentage of married couples with young children has declined by half since the 1950s why is that still the group we focus on reaching Why are so many mid sized churches on their way to becoming small membership congregations With insight conviction and calm resolve Lovett Weems challenges United Methodists not only to ask these hard questions but to face up to the difficult decisions they require of us as we continue to seek God s will for our lives together

Grace for the Journey George B. Thompson,Beverly A. Thompson,2011-09-21 Every community of faith journeys through periods of transition In Grace for the Journey Practices and Possibilities for In Between Times authors Beverly and George Thompson invite congregations to open themselves to the grace filled possibilities that accompany these in between periods Drawing on biblical examples and contemporary experience the authors invite the community of faith to see transitional times as an opportunity to develop deeper spiritual awareness of God s call on its communal life a call that open up fresh potential even as it calls us to consider what familiar things may need to change As pastors and teachers with experience in congregations across the country the Thompsons serve as your travel guides accompanying you and your congregation as you walk through the wilderness of transitional times to the hope filled possibilities on the horizon

Solving the Immigrant Church Crisis Ronald M. Rothenberg,2016-08 Solving the Immigrant Church Crisis The Biblical Solution of Parallel Ministry Acts 6 1 7 addresses the crisis of the immigrant church in which complex cultural and linguistic factors create a reticence on the part of immigrants to transfer financial and decision making authority to succeeding generations and this results in a culturally irrelevant ministry to those generations an exodus of believers from the church a spiritually immature remnant and an inability to reach the lost The thesis of this book is that parallel ministry based on Acts 6 1 7 is the biblical solution to the crisis in the immigrant church While there are at least two main aspects of this crisis a spiritual relational and an ecclesiastical aspect this book focuses on the ecclesiastical aspect of

defining the biblical structure of church government Specifically this book is for immigrant churches primarily in the United States and offers them a biblical and practical solution to the problem plaguing them for over two centuries of how to minister effectively to the succeeding generations *Branded Faith* Rajkumar Dixit,2010-06-07 Christianity may be the greatest story ever told but in Western culture it is losing ground against the powerful forces of secularization In examining the root causes of this cultural shift does the church have anything to learn from secular society and the business sector For decades the church has resisted the idea of using business methodologies in the religious sphere Yet a closer look reveals that most church hierarchies have borrowed much of their organizational structure from the business sector But the church is not alone in its borrowing Today the lines between the church and the business sector are blurred as both entities influence each other interchangeably In *Branded Faith* Rajkumar Dixit enters an engaging and intellectually stimulating analysis of what the church can learn from the business practices of marketing branding and contextualization Using examples drawn from widely recognized companies such as Nike Starbucks Coca Cola and Subway Dixit systematically builds a case for the power of a story and emphasizes the importance of seeking culturally relevant ways to spread it Those who care deeply about sharing Christianity powerfully and effectively will find in *Branded Faith* a thoughtful presentation of ideas on how to maintain the integrity of the gospel while exploring fresh methods of communicating the good news to a postmodern society *The Five Phases of Leadership* Justyn Terry,2021-05-10 *The Five Phases of Leadership* is a book written by a practitioner for practitioners Organized around five stages of leadership establishing trust cultivating leaders discerning vision implementing plans and transitioning out this book offers an overview of the leadership life cycle from a distinctively Christian perspective Dr Justyn Terry draws on over twenty years of leadership experience in seminaries and churches to offer practical insight into a leader s role Rather than focusing primarily on leadership styles or skills this book demonstrates why those skills matter in context By focusing on a leader s overall task Dr Terry offers a vision of leadership that draws together its disparate elements into a unified whole
