Agrarian Capitalism and Poor Relief in England, 1500-1860 Larry Patriquin, 2007-10-11 This book examines the evolution of public assistance for the poor in England from the late medieval era to the Industrial Revolution Placing poor relief in the context of the unique class relations of agrarian capitalism it considers how and why relief in England in the early modern period was distinct

Literature in a Time of Migration Josephine McDonagh, 2021-05-13 Literature in a Time of Migration offers a profound rethinking of British fiction in

light of the new practices of human mobility that reshaped the nineteenth century world Building on the growing critical engagement with globalization in literary studies it confronts the paradox that at a time when transnational human movement occurred globally on an unprecedented scale British fiction appeared to turn inward to tell stories of local places that valorized stability and rootedness In contrast this book reveals how literary works from the end of the Napoleonic Wars to the advent of the New Imperialism were active components of a culture of colonization and emigration Fictional texts as print commodities were enmeshed in technologies of transport and communication and innovations in literary form were spurred by the conditions and consequences of human movement Examining works by Scott Charlotte Bront Dickens and George Eliot as well as popular contemporaries Mary Russell Mitford John Galt and Thomas Martin Wheeler this volume demonstrates how literary texts overlap with an agenda set in public discussions of colonial emigration that they also helped to shape Debates about assisted emigration forced and free migration colonization settlement and the removal of native peoples figure in fictions in complex ways Read alongside writings by emigration theorists practitioners and enthusiasts for colonization fictional texts reveal a powerful and sustained engagement with British migratory practices and their worldwide consequences Literature in a Time of Migration is a timely reminder of the place and importance of migration within British cultural heritage
