Note For best results, print on 8.5-inch x 11-inch (legal-sized) paper.

1 Dial

To place a call, pick up the handset and enter a number. Or, try one of these alternatives.

Redial Last Number

Press **Redial** to redial on your primary line. To redial on another line, press the line button first.

Dial On-Hook

- 1 Enter a number when the phone is idle.
- 2 Lift the handset or press one of these: **Call**, the **headset** button, the **speakerphone** button, or the **Select** button.

Speed Dial

Enter a speed-dial icon number and press **SpeedDial**. You may also have speed dials assigned to some buttons along the left side of your phone.

2 Answer

New call indicators:

- A flashing amber line button
- An animated icon and caller ID
- A flashing red light on your handset

To answer the call, lift the handset. Or, press the flashing amber **answer** button, **Answer**, the **call** button, or the **speakerphone** button.

Answer Multiple Lines

If you are talking on the phone when you get another call, a message appears briefly on the phone screen. Press the flashing amber line button to switch lines and then press the **answer** button to answer the second call and put the first call on hold automatically.

You can answer a call through an actionable incoming call alert if this feature is enabled by your administrator.

3 Hold

- 1 Press **Hold**. The hold icon appears and the line button flashes green.
- 2 To resume a call from hold, press the flashing green line button, **Resume**, or **Hold**.

4 Transfer

- 1 From an active call, press **Transfer**.
- 2 Enter the transfer recipient's phone number.
- 3 Press **Transfer** again (before or after the party answers). The transfer completes.

Direct Transfer

You can transfer the active call to the held call either on the same line or across lines.

- From an active call, press **Transfer**.
- Press **Active calls** to select the held call, and press **Transfer** again to finish the call transfer.

5 Conference

- 1 From an active call, press **Conference**.
- 2 Make a new call.
- 3 Press **Conference** again (before or after the party answers). The conference begins and the phone displays "Conference."
- 4 Repeat these steps to add more participants.

The conference ends when all participants hang up.

Join Calls

You can conference the active call with the held call either on the same line or across lines.

- From an active call, press **Conference**.
- Press **Active calls** to select the held call, and press **Conference** again to create the conference.

View and Remove Participants

During a conference, press **Show Details**. To remove a participant from the conference, scroll to the participant and press **Remove**.

6 Mute

- 1 While on a call, press **Mute**. The button glows to indicate that mute is on.
- 2 Press **Mute** again to turn mute off.

7 Voicemail

New message indicators:

- A solid red light on your handset
- A status dial tone (if available)
- The voicemail icon and number display on the screen along with one call screen button

Listen to Messages

Press **Message** and follow the voice prompts. To check messages for a specific line, press the line button first.

8 Divert

Press **Divert** when the call is ringing, active, or on hold. **Divert** routes an individual call to voicemail or to another number set up by your system administrator.

9 Forward All

- 1 To forward calls received on your primary line to another number, press **Forward all**.
- 2 Enter a phone number or press **Message** to forward all calls to voicemail. Look for confirmation on your phone screen.
- 3 To cancel call forwarding, press **Forward off**.

To set up forwarding on a secondary line, press the line button to select the second line and press **Forward all**.

To set up forwarding remotely, access your Self Care Portal.

Cisco Voip Manual Introduction

In the digital age, access to information has become easier than ever before. The ability to download Cisco Voip Manual has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Cisco Voip Manual has opened up a world of possibilities. Downloading Cisco Voip Manual provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Cisco Voip Manual has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Cisco Voip Manual. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Cisco Voip Manual. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Cisco Voip Manual, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Cisco Voip Manual has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
