Blasphemy against Allah is a
crime punishable by death, in the
Islamic Republic of Iran.

[illegible][illegible]

Abstract. The purpose of this study is to investigate the relationship between the use of the Internet and the use of the mobile phone in the workplace. The study is based on a survey of 1000 employees in the public sector. The results show that the use of the Internet and the mobile phone are both increasing in the workplace. The use of the Internet is more common than the use of the mobile phone. The use of the Internet is more common among men than among women. The use of the mobile phone is more common among women than among men. The use of the Internet and the mobile phone are both more common among employees in the public sector than among employees in the private sector. The use of the Internet and the mobile phone are both more common among employees in the public sector than among employees in the private sector. The use of the Internet and the mobile phone are both more common among employees in the public sector than among employees in the private sector.
