Culture Shock A Biblical Response To Today's Most Divisive Issues:

Culture Shock Chip Ingram, 2014-08-05 We live in a reactionary culture where divisive issues arise people on either side throw stones and everyone ends up more entrenched in their opinions than in reaching common ground or even exhibiting common courtesy If there ever was a time for Christians to understand and communicate God's truth about controversial and polarizing issues it is now Believers must develop convictions based on research reason and biblical truth and be able and willing to communicate these convictions with a love and respect that reflects God's own heart In *Culture Shock* bestselling author pastor and radio personality Chip Ingram shows readers how they can bring light rather than heat to the most controversial and divisive issues of our day Covering topics such as right and wrong sex homosexuality abortion politics and the environment *Culture Shock* is every engaged believer's must have guidebook to replacing reactionary hate with revolutionary love

How to Read the Bible Like a Seminary Professor Mark Yarbrough, 2015-03-03 Many people admire and even revere the Bible but they simply do not understand what they read much less how to study Scripture Yet they wish they could In this insightful and alternately amusing guide Professor Mark Yarbrough shows how easy and gratifying it is to unlock the hidden truths of God's Word and to discover a world where reading the Bible doesn't just satisfy our curiosity but changes our life To do this the reader will step into the seminary classroom and observe the practical principles the tricks of the trade for becoming a more effective student of the Bible But Yarbrough has made sure that his writing style and general approach will be appealing to both academic students and those involved in lay level Bible study Real life is whacky and in your face Studying Scripture should be too

Becoming Community Olivia A. Phillips, 2021-10-15 How we minister matters especially to those who have already been hurt by the church Instead of ministering out of God's love and compassion the church has often ministered to the Queer community out of a deep rooted fear Why do we administer hatred instead of allowing the balm of the Holy Spirit's tender care to define our actions The integrity of the gospel message has been hurt by the way many of us have wielded the power we have been given *Becoming Community* is a call for us to renew our Christian commitment to social responsibility and justice as a primary focus of the church We must challenge the practices and visions which we hold most important in our communities Are our ministries truly inclusive to all who would seek to find solace at the feet of Christ Regardless of whether a person might adopt a philosophy of affirmation or denial of queer practices as God honoring one trait must remain in our response inclusion Without intentionally inclusive language care and practice can the church live up to the higher calling that we have been

given Is it possible for every individual to be genuinely included in our communities
