Cuhk Seriesstate Owned Enterprise Reform In Chinachinese Edition:

The Modernisation of the Chinese Economy Garth Le Pere, Garth Shelton, 2001 Chinese Industrial Firms Under Reform William A. Byrd, 1992 Reforms transformed the operating environment financial arrangements business and administrative relationships as well as internal structure of Chinese state owned industrial enterprises during the 1980s This book analyzes these changes and their impact on enterprise behavior and performance from the perspective of individual firms through a series of detailed case studies The case studies show what the editor believes to be the fundamental problems of a system relying on administrative control over enterprises and what he shows to be the distortions induced by partial reform **Enterprise Reform in China** Gary H. Jefferson, Inderjit Singh, 1999 The transformation and growth of China s economy which raised living standards for one fifth of the world s population and provided indirect benefits for many more stands among the most significant economic developments of the late twentieth century This book rests on two premises The first is that the key to China s dramatic economic transformation is that country s industrialization The second is that the real story of China s industrialization is unfolding at the level of the individual Chinese enterprise and factory This volume seeks to document the impact of economic reforms on China s industrial sector and to explain why China s reforms which appear meager relative to the more ambitious reform programs of Eastern Europe and even Russia have had such wide reaching effects **Enterprise Reform and Economic Efficiency of Chinese State-owned Industrial Enterprises** Sau-King Ma, 1996 *State-owned Enterprise Reform in China* Garth Shelton, Chris Alden, Matthew Simmonds, University of the Witwatersrand. East Asia Project, 1999 *Enterprises Reform in China* Yue Wang, 2001 Charting Chinese Enterprise Reform Michael Yan Ho Fang, 1999 Enterprise Reform in Chinese Industry Gary H. Jefferson, Thomas G.
