Chasing An Elusive God The Bible's Quest And Ours:

Chasing an Elusive God Ray Vincent, 2013-03-11 An essential guide to reading the Bible not to find answers but to hear the urgency of the questions Chasing the Wind Neil H. Williams, 2021-11-12 Chasing the Wind covers a variety of ideas from Christianity science philosophy ethics and psychology It starts with Socrates's statement an unexamined life is not worth living and asks how we might go about discovering what is a worthwhile life and what might motivate us to live such a life It is a vast topic that is narrowed down to two principal areas 1 a focus on relationships which are central to providing fulfillment worth and purpose to our lives and 2 an interaction with Christianity which claims to have answers as to what is a worthwhile life In summary this book is a dialog between these two questions What is a good life and how does Christianity help or hinder such a life Modern Woodman Magazine Frank O. Van Galder, 1916 *The Modern Woodman*, 1916 A Light to the Nations Michael W. Goheen, 2011-04-01 There is a growing body of literature about the missional church but the word missional is often defined in competing ways with little attempt to ground it deeply in Scripture Michael Goheen a dynamic speaker and the coauthor of two popular texts on the biblical narrative unpacks the missional identity of the church by tracing the role God's people are called to play in the biblical story Goheen shows that the church's identity can be understood only when its role is articulated in the context of the whole biblical story not just the New Testament but the Old Testament as well He also explores practical outworkings and implications offering field tested suggestions for contemporary churches *Enjoying the Closeness of God* Roger C.
