Richard J. Foster, 2005-01-01 Summary of Richard J. Foster's Celebration of Discipline, Special Anniversary Edition Everest Media, 2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 We must be willing to go down into the recreating silences into the inner world of contemplation if we want to move beyond the superficialities of our culture 2 The Bible mentions two different Hebrew words to describe meditation and they are used to convey the idea of listening to God's word reflecting on God's works rehearsing God's deeds and more 3 God wants to have

a relationship with us and the Bible tells us that he spoke to Moses face to face as a man speaks to his friend However the Israelites were not ready for such intimacy and so they told Moses not to speak to them anymore 4 The biblical foundation for meditation is the belief that Jesus continues to act and speak even if people cannot see him with the naked eye He is resurrected and at work in our world He is not idle and he has not developed laryngitis
