

Smartphone Policy

Podcast: How to Get Smartphones Out of School with Officer Gomez (#116)

I recently shared a no cell phone policy that one of our local middle schools had adopted. Since sharing the policy, I have had several parents let me know they were able to share this with their schools and actually have the school adopt the same policy immediately.

I am sharing it again (below) for any parents who might want to advocate for a no cell phone policy in your own school. The start of next school year is a perfect time to start a no cell phone policy at the school.

Happy Parenting,

Deputy Gomez

Dear Parents, Guardians and Students at MMS,

As of March 28, 2022, no student cell phones or ear buds, air pods or bluetooth headphones will be allowed to be in use in classrooms during the school day, for ANY reason.

Cell phones must be on silent and stored inside backpacks. Phones may only be accessed before and after school, while in the hallway during passing periods and at lunch. Also, if a student requests to use the restroom during class, they must show the teacher that their cell phone is not leaving the classroom with them.

Earphones that are wired and plug into the laptop, may be used if needed for course work.

During class, students may NOT use their phones for calculators, to check the time, music, reading a book, checking their grades or for any other reason. If there is a medical reason to use a cell phone, that will be allowed per a 504 or health plan.

Just a few of the issues that have occurred in the last month that initiated MMS administration to make this change:

- *Students taking videos and pics of other students in the bathroom, and posting on Snapchat (child pornography)
- *Students making audio recordings of test reviews and listening to it while taking a test.
- *Students are continually taking out their phones in PE and the locker room.
- *Students taking pictures in the classroom of other students without permission and posting to social media.
- *Students taking pictures of teachers' shoes and putting them on Tik-Tok and rating them.
- *Students taking pictures and videos of student outfits and rating them on Tik-Tok

The process if a phone is out during class: The teacher will send that student, with their phone, to the office immediately. No second chances. Administrators will call parents to retrieve the phone. It will not be given back to the student.
