Twenty six powerful activities are ready to go with little preparation. Developed for the first time in this book the 5 Factor model: Context, Goals, Values, Self Concept, Communication Style Repertoire is presented in an easy to use Star Chart approach. A 4 Step process puts it all together combining Factors and Descriptors to enhance communication. Dozens of examples, stories from international business to politics to community development to family life make the concepts real and applicable. Communicating across a variety of styles requires the skills of a tightrope walker but the rewards to the performers are immense. *Communication Highwire* Dianne Hofner Saphiere, Barbara Kappler Mikk, Basma Ibrahim Devries, 2005-05-20 No matter where we live or what we do we deal with people using a wide variety of communication styles every day.
