Genre - text - interpretation Kaarina Koski,Frog,Ulla Savolainen,2016-01-01 This book presents current discussions on the concept of genre It introduces innovative multidisciplinary approaches to contemporary and historical genres their roles in cultural discourse how they change and their relations to each other The reader is guided into the discussion surrounding this key concept and its history through a general introduction followed by eighteen chapters that represent a variety of discursive practices as well as analytic methods from several scholarly traditions This volume will have wide appeal to several academic audiences within the humanities both in Finland and abroad and will especially be of interest to scholars of folklore language and cultural expression

Why Bíos? On the Relationship Between Gospel Genre and Implied Audience Justin Marc Smith,2015-02-26 Justin Marc Smith argues that the gospels were intended to be addressed to a wide and varied audience He does this by considering them to be works of ancient biography comparative to the Greco Roman biography The earliest Christian interpreters of the Gospels did not understand their works to be sectarian documents Rather the wider context of Jesus literature in the second and third centuries points toward the broader Christian practice of writing and disseminating literary presentations of Jesus and Jesus traditions as widely as possible Smith addresses the difficulty in reconstructing the various gospel communities that might lie behind the gospel texts and suggests that the all nations motif present in all four of the canonical gospels suggests an ideal secondary audience beyond those who could be identified as Christian
