Bibeault, 1998 **Corporate Turnaround Artistry** Jeff Sands, 2020-02-19 How to steer your business through times of financial distress and achieve sustained profitability *Corporate Turnaround Artistry* is a complete guide for entrepreneurial companies in times of financial distress presenting effective strategies and proven methods to revive and rehabilitate your business Uncertain economic times have significantly altered the financial resources available to struggling businesses Narrowing margins and mounting internal and

external pressure has taken their toll on many companies. Fortunately, most businesses can be repaired while maintaining their existing revenue structure. Offering practical steps that go beyond simple cost cutting and sales building advice, this invaluable guide teaches you how to control cash, secure financial relief, and develop a comprehensive turnaround plan that your employees, customers, and creditors will support. Business leaders and entrepreneurs often fall into the trap of assuming new debt when tough times strike. Author and Certified Turnaround Practitioner Jeff Sands shows that to many struggling businesses, more money is no longer the answer to the problem. Expert advice on topics including cashflow stabilization, short and long term profit sustainability, lean management techniques, and more provides the framework to timely and efficient corporate turnaround. From identifying the initial cash crisis to meeting with creditors and developing a plan, this essential resource will help you stabilize your financial liabilities and restructure your debt. Implement effective turnaround strategies without significant changes to your corporate structure. Preserve the positions of your current employees and their community. Give yourself a fresh start with a lean and agile business. Thousands of businesses fall into financial stress every year, oftentimes in sudden and dramatic fashion, leaving CEOs and owners asking the question, "How do I save my business?"

Corporate Turnaround Artistry: Fix Any Business in 100 Days provides the answer. **Turnaround Management and Bankruptcy** Jan Adriaanse, Jean-Pierre van der Rest, 2017-03-27. Written by leading experts in the field of business finance, law, and economics, this edited volume brings together the latest thoughts and developments on turnaround management and business rescue from an academic, judiciary, and turnaround/insolvency practitioner perspective. **Turnaround Management and Bankruptcy** presents different viewpoints on turnarounds and business rescue in Europe. Presenting a state-of-the-art review of failure research in finance, such as on bankruptcy, prediction, causes of decline, or distressed asset valuation, it also presents the latest insights from turnaround management research, as well as giving a contemporary insight into law debates on insolvency legislation reform, cross-border judicial issues, bankruptcy decision making by judges, and competition policy in distressed economies. Finally, the book provides a regional and sector perspective on how the current crisis affects Europe, its government policies, and industry performance. In this way, the volume presents a modern interdisciplinary and scholarly overview of the latest insights, issues, and debates in turnaround management and business rescue, developing a European perspective in an attempt to redress the predominance of an American orientation in the academic literature. It aims at a wider audience interested in turnarounds and failure, such as faculty and students in the fields of law, business, economics, accountancy, finance, strategic management, and marketing, but also at judges, insolvency practitioners, lawyers, accountants, and turnaround professionals, as well as the EU and government officials, staff of trade unions, and employers' associations.
