

TRANSFORMING CORRECTIONS

Humanistic Approaches to Corrections and Offender Treatment

Edited by

DAVID POLIZZI • MICHAEL BRASWELL

Corrections A Humanistic Approach

G Orfield

Corrections A Humanistic Approach:

Corrections Hans Toch, 1997-01-01 This book is about the real world of prisons an important reference manual This anthology provides a coherent and powerful set of ideas about how prisons can be administered in a way that maintains hope meaning and respect for human dignity Seasoned professionals and criminal justice students alike should read this book it is an antidote to the cynicism of the 1990s

Transforming Corrections David Polizzi, Michael Braswell, 2009 This book is part of the Criminal Justice and Psychology Series Transforming Corrections offers an alternative perspective not easily found in the existing literature concerning the way in which individuals in the criminal justice system are understood and treated by those responsible for their care Intended as a supplementary text this collection will help to enhance the current conversation that is ongoing in the field of rehabilitative corrections The wide reaching focus of this collection is intended to provide a variety of alternative perspectives related to issues of theory correctional practice and offender treatment As such Transforming Corrections could be adopted in introductory courses in criminology and criminal justice as well as graduate courses more specifically focused on issues related to offender treatment and correctional administration A book subtitled Humanistic Approaches to Corrections and Offender Treatment manifestly does not mirror prevailing practices in corrections nor reflect the dominant ethos of the times Such a book instead gives some of us heady sustenance and support in the goals that we secretly aspire to it gives us a sense of what might be achieved in the distant future and what might already have been accomplished The book is an invitation for us to hang in there and persevere If you are not quite burned out have not given up and are still fighting the odds the message of these chapters is you are not nearly as alone as you sometimes feel out there on your limb The reassuring fact is that there are enclaves of humanistic activity in correctional settings and as these experiments demonstrate their effectiveness they are bound to ensure the long term survival of the approach Hans Toch University at Albany SUNY from the Preface It is regrettable that a collection such as this is necessary in order to encourage those who wish to treat prisoners as human beings For this reason alone the book deserves a place in every library

Summing Up Recommended Upper division undergraduates and above CHOICE Magazine

Prison and Jail Administration: Practice and Theory Peter M. Carlson, Judith Garrett, 2008 History of Corrections Peter M Carlson Tom Roth and Anthony P Travisono American jails Arthur Wallenstein and Ken Kerle Prison architecture Robert S George Developing technology Peter M Carlson and Sonya D Thompson Custody and security Michael B Cooksey Inmate classification Peter M Carlson Education and vocational training Harold David Jenkins Recreation Harold L Kahler Health care Robert R Thompson Mental health Sally C Johnson Religious programming Susan M Van Baalen Intake discharge mail and documentation Jeffrey W Frazier Food service Lavinia B Johnson Financial operations Beverly Pierce Working with the media Judith Simon Garrett Community relations boards Paula McAlister Political involvement Judith Simon Garrett Organization and management Peter M Carlson and John J Dilulio Jr Leadership executive excellence Harley G Lappin Governing personnel management Robert L Wright A day in the life of the warden James A Meko Diversity of correctional officers Peter M Carlson Labor relations Michael H Jaime and Amanda R Burruel Preventing corruption Sal Souryal Sexual misconduct Anadora Moss Volunteering Richard L Stalder Disciplinary procedures Clair A Cripe Grievance procedures Lisa Hutchinson Wallace Kevin I Minor and James Stephen Parsons Protective custody Kevin I Minor Lisa Hutchinson and James Stephen Parson Suicide Daniel W Phillips III The death penalty Julie C Eng Gang management Mark S Fleisher Special needs offenders Judy C Anderson Sex offenders Gilbert L Ingram and Peter M Carlson Visitation Reginald A Wilkinson and Tessa Unwin Prison work and industry Steve Schwalb Robert C Grieser and J C Keeney Drug treatment James A Inciardi James E Rivers and Duane C McBride Prisoner access to the courts Kenneth C Haas Compliance with the constitution

Prison and Jail Administration: Practice and Theory Peter M. Carlson, 2013-08-30 Thoroughly revised and updated the third edition of the best selling textbook Prison and Jail Administration Practice and Theory covers all aspects of prison administration from organizational structure and management accountability to food service personnel corruption and the impact of technology on penal institutions Authored by over sixty leading experts in the field the text provides students with a unique balance of practice and theory and includes suggested readings learning objectives and discussion questions to help students gain an in depth understanding of the

material The third edition includes all new pedagogical features instructor resources and new chapters on current topics such as women offenders the world of a corrections officer hiring and retention of staff institution pre release programs and restorative justice The most comprehensive and accessible prison administration textbook available Prison and Jail Administration Practice and Theory Third Edition is essential reading for students in correctional administration courses

Procedural Justice and Relational Theory Denise Meyerson,Catriona Mackenzie,Therese MacDermott,2020-10-29 This book bridges a scholarly divide between empirical and normative theorizing about procedural justice in the context of relations of power between citizens and the state Empirical research establishes that people s understanding of procedural justice is shaped by relational factors A central premise of this volume is that this research is significant but needs to be complemented by normative theorizing that draws on relational theories of ethics and justice to explain the moral significance of procedures and make normative sense of people s concerns about relational factors The chapters in Part 1 provide comprehensive reviews of empirical studies of procedural justice in policing courts and prisons Part 2 explores empirical and normative perspectives on procedural justice and legitimacy Part 3 examines philosophical approaches to procedural justice Part 4 considers the implications of a relational perspective for the design of procedures in a range of legal contexts This collection will be of interest to a wide academic readership in philosophy law psychology and criminology

Experiencing Corrections Lee Michael Johnson,2011-04-12 This book is a collection essays written by professors with practical experience in corrections It was written to bridge the gap between academia and practice Its main purpose is to support teaching and learning activities that integrate vicarious and experiential learning in corrections Page xiii **Best**

Practices in Sexual Offender Assessment and Management Ruth J. Tully,Greg Bohall,David S. Prescott,2025-05-14 This book provides a critical examination of assessment and treatment approaches for sexual offending presenting cutting edge insights from leading experts in evidence based management of sexual deviance It offers a systematic overview of the empirical literature and multifaceted research into clinical and criminal aspects addressing gaps and advancements in public health and policy responses The volume explores sex offender classification systems risk assessment for recidivism psychotherapeutic and pharmacological interventions and the clinical and criminal correlates of common paraphilias Special focus is given to best practices tailored for unique populations making this an essential reference for clinical psychologists correctional professionals and students and researchers of sexual offenses *Prison Masculinities /edited by Don Sabo,*

Terry A. Kupers, and Willie London Donald F. Sabo,Terry Allen Kupers,Willie James London,2001 This book explores the frightening ways our prisons mirror the worst aspects of society wide gender relations It is part of the growing research on men and masculinities The collection is unusual in that it combines contributions from activists academics and prisoners The opening section which features an essay by Angela Davis focuses on the historical roots of the prison system cultural practices surrounding gender and punishment and the current expansion of corrections into the prison industrial complex

The next section examines the dominant or subservient roles that men play in prison and the connections between this hierarchy and male violence Another section looks at the spectrum of intimate relationships behind bars from rape to friendship and another at physical and mental health The last section is about efforts to reform prisons and prison masculinities including support groups for men It features an essay about prospects for post release success in the community written by a man who after doing time in Soledad and San Quentin went on to get a doctorate in counseling The contributions from prisoners include an essay on enforced celibacy by Mumia Abu Jamal as well as fiction and poetry on prison health policy violence and intimacy The creative contributions were selected from the more than 200 submissions received from prisoners Author note Don Sabo Professor of Social Sciences at D Youville College in Buffalo is author or editor of five books most recently with David Gordon *Men's Health and Illness Gender Power and the Body* and with Michael Messner *Sex Violence and Power in Sports Rethinking Masculinity* Sabo has appeared on *The Today Show* Oprah and Donahue Terry A Kupers M D a psychiatrist teaches at the Wright Institute in Berkeley He is the author of four books editor of a fifth His latest books are *Prison Madness The Mental Health Crisis Behind Bars and What We Must Do About It* and *Revisioning Men's Lives Gender Intimacy and Power* Kupers has served as an expert witness in more than a dozen cases on conditions of confinement and mental health services Willie London a published poet is General Editor of the prison publication *Elite Expressions* He is currently an inmate at Eastern Corrections For nine years he was a prisoner at Attica

Teaching Translation and Interpreting 3 Cay Dollerup, Vibeke Appel, 1996 Selected papers from the Third Language International Conference on Translator and Interpreter Training Capping the series of conferences on this theme in Denmark the present volume brings together a choice selection of the papers read by scholars and teachers from five continents and within all specialities in Translation Studies In combination with the two previous volumes of the same title the book offers an up to date comprehensive representative overview focusing on main issues in teaching in the relatively new field of translation There are informed and incisive discussions of subtitling interpreting and translation spanning from its historical beginnings to presentations of machine translation and predictions of the future of translation work Contributions ranging from discussions on the interplay between theory and teaching teaching literary translation introducing students to central issues in translation practice and historical and social issues in teaching translation

Thank you very much for downloading **Corrections A Humanistic Approach**. Most likely you have knowledge that, people have seen numerous times for their favorite books past this Corrections A Humanistic Approach, but end in the works in harmful downloads.

Rather than enjoying a good book next a cup of coffee in the afternoon, on the other hand they juggled later than some harmful virus inside their computer. **Corrections A Humanistic Approach** is available in our digital library an online entrance to it is set as public therefore you can download it instantly. Our digital library saves in multipart countries, allowing you to get the most less latency period to download any of our books in the same way as this one. Merely said, the Corrections A Humanistic Approach is universally compatible following any devices to read.
