

CLITOPHON'S
CHALLENGE

Dialectic in Plato's
Meno, Phaedo, and Republic

HUGH H. BENSON

Clitophons Challenge Dialectic In Platos Meno Phaedo And Republic

Hugh H. Benson

Clitophons Challenge Dialectic In Platos Meno Phaedo And Republic:

Clitophon's Challenge Hugh H. Benson, 2015-05-01 Hugh H Benson explores Plato's answer to Clitophon's challenge the question of how one can acquire the knowledge Socrates argues is essential to human flourishing knowledge we all seem to lack

Clitophon's Challenge Hugh H. Benson, 2015 The end of Plato's Clitophon can be seen to raise something like the following challenge How is one to acquire learn the knowledge Socrates has so persuasively shown to be essential to virtue and apparently absent from us all Clitophon's Challenge explores Plato's response to this challenge from the Apology Laches Euthyphro and Protagoras to the Meno Phaedo and Republic

Plato's Moral Psychology Rachana Kamtekar, 2017 Plato's Moral Psychology is concerned with Plato's account of the soul and its impact on our living well or badly virtuously or viciously The core of Plato's moral psychology is his account of human motivation and Rachana Kamtekar argues that throughout the dialogues Plato maintains that human beings have a natural desire for our own good and that actions and conditions contrary to this desire are involuntary from which follows the Socratic paradox that wrongdoing is involuntary Our natural desire for our own good may be manifested in different ways by our pursuit of what we calculate is best but also by our pursuit of pleasant or fine things pursuits which Plato assigns to distinct parts of the soul Kamtekar develops a very different interpretation of Plato's moral psychology from the mainstream interpretation according to which Plato first proposes that human beings only do what we believe to be the best of the things we can do Socratic intellectualism and then in the middle dialogues rejects this in favour of the view that the soul is divided into parts with some good dependent and some good independent motivations the divided soul

The Platonic Mind Peter D. Larsen, Vasilis Politis, 2024-11-26 Plato is one of the most widely read and studied philosophers of all time A pivotal figure in the history of philosophy his work is foundational to the Western philosophical tradition The Platonic Mind provides an extensive survey of his work not only placing it in its historical context but also exploring its contemporary significance Comprising over 30 specially commissioned chapters by an international team of contributors the volume is divided into three clear parts Reading Plato's Dialogues Themes From Plato Plato's Influences and Significance Within these sections key topics are addressed including the nature of reality and the physical world human cognition including knowledge sense perception and affective states society politics and law his method of inquiry and literary style his influence on subsequent thinkers and traditions and studies on a wide range of individual Platonic dialogues Plato's work is central to the study of ancient philosophy Greek philosophy history of philosophy metaphysics philosophy of mind political philosophy epistemology philosophy of science ethics philosophy of language legal philosophy and philosophy of religion As such The Platonic Mind is essential reading for all students and researchers in philosophy It will also be of interest to those studying Plato in related disciplines such as politics law ancient history literature and religious studies

Plato Journal 17 Gabriele Cornelli, 2018-02-28

Cooperative Flourishing in Plato's 'Republic' Carolina Araújo, 2022-12-01 In this pathbreaking interpretation of Plato

s foundational text of political philosophy Carolina Ara jo reveals how the Republic remains ripe for an interpretation grounded in notions of cooperation flourishing and justice relevant to the diversity of contemporary life Plato s Republic has the Greek name of Politeia that Ara jo translates as the way of life of the citizens not the State or the form of government as it more traditionally rendered Plato s treatise Politeia depicts the rich array of patterns emerging from human interaction and enquires into the best amongst them Cooperative Flourishing in Plato s Republic returns to these important questions about society how to live with a vast diversity of personalities with different interests and abilities all of them trying to flourish and asks how best can we share our environment With rigorous philosophical analysis of the Greek text accompanied by original translations of the most important passages Ara jo upends mainstream scholarship to progress Socrates bottom up view of politics and rejects previous readings of the Republic as a proto totalitarian text psychological study or lengthy analogy By defending a theory of Platonic justice that is rooted in cooperative flourishing the public education of all citizens and the contribution of philosophers to political life the beautiful city which Plato called Kallipolis emerges as a hopeful possibility

The Oxford Handbook of Plato Gail Fine,2019 Plato is the best known and continues to be the most widely studied of all the ancient Greek philosophers The updated and original essays in the second edition of *The Oxford Handbook of Plato* provide in depth discussions of a variety of topics and dialogues all serving several functions at once they survey the current academic landscape express and develop the authors own views and situate those views within a range of alternatives The result is a useful state of the art reference to the person many consider the most important philosophical thinker in history This second edition of he Oxford Handbook of Plato differs in two main ways from the first edition First six leading scholars of ancient philosophy have contributed entirely new chapters Hugh Benson on the Apology Crito and Euthyphro James Warren on the Protagoras and Gorgias Lindsay Judson on the Meno Luca Castagnoli on the Phaedo Susan Sauv Meyer on the Laws and David Sedley on Plato s theology This new edition therefore covers both dialogues and topics in more depth than the first edition did Secondly most of the original chapters have been revised and updated some in small others in large ways

Ancient Greek Dialectic and Its Reception Melina G. Mouzala,2023-09-05 The volume focusses on ancient Greek dialectic and its impact on later philosophical thought up to Byzantium The contributions are written by distinguished scholars in their respective fields of study and shed light on the relation of ancient Greek dialectic to various aspects of human life and soul to self knowledge and self consciousness to science rhetoric and political theory *Platou Journal* n.º 17 Gabriele

Cornelli,2018-03-01 **Plato's Phaedo** David Ebrey,2023-02-09 Plato s Phaedo is a literary gem that develops many of his most famous ideas David Ebrey s careful reinterpretation argues that the many debates about the dialogue cannot be resolved so long as we consider its passages in relative isolation from one another separated from their intellectual background His book shows how Plato responds to his literary religious scientific and philosophical context and argues that we can only understand the dialogue s central ideas and arguments in light of its overall structure This approach yields new

interpretations of the dialogue's key ideas including the nature and existence of Platonic forms the existence of the soul after death the method of hypothesis and the contemplative ethical ideal Moreover this comprehensive approach shows how the characters play an integral role in the *Phaedo*'s development and how its literary structure complements Socrates' views while making its own distinctive contribution to the dialogue's drama and ideas

Right here, we have countless ebook **Clitophons Challenge Dialectic In Platos Meno Phaedo And Republic** and collections to check out.
