Cuba Then Rare And Classic Images From The Ramiro Fernandez Collection:

Cuba Then Ramiro Fernandez, 2014-04-15 Vintage photos from one of the largest archives of Cuban photography in the world capture the island's history. The enduring fascination of Cuba intensifies as the island once again becomes a seductive travel destination. From Ramiro Fernandez whose collection of Cuban photography and ephemera is one of the largest outside of the island, nation comes a dazzling array of images of Cuban life, lifestyle, glamour, customs, and struggle from the nineteenth century to the Revolution. From the earliest daguerreotypes to glamorous shots of movie stars, the country's history is represented by a rich spectrum of personalities: race car driving aristocrats, sultry showgirls, gangsters, everyday folk, and revolutionaries who would soon transform the nation. Rare images are showcased: a portrait of Castro as a schoolboy, a bare-chested Che Guevara, and Heinz Lanning, the only Nazi spy executed in Latin America during World War II, and the unwitting inspiration for Graham Greene's *Our Man in Havana*. With nearly 300 exceptional images and a foreword and poetry by Richard Blanco, the poet selected for President Obama's second inauguration, this is a multifaceted look at Cuba then. Vanity Fair, 2014. **Cuba Then** Ramiro Fernández, 2018-05-29 Following on the success of the first edition of *Cuba Then* 2014, this revised and expanded edition introduces more than 100 dazzling new images that build on the allure of Cuba past and present. In the last few years, Cuba has seen seismic shifts in its politics and international standing. US-Cuba relations moved toward normalization: the US embassy was reopened and Fidel Castro died. The intensified interest in Cuba has seen record numbers of Americans traveling there while they still can. In this climate, a new edition of *Cuba Then* will satisfy the growing curiosity around the country's history, adding to the visual culture and legacy. With thirty new pages and more than 100 newly selected vintage photographs and pieces of ephemera from the collection of Ramiro Fernández, the most extensive archive of Cuban photography and ephemera outside of Cuba, this book is a tribute to the lost eras of style, glamour, ebullience, intrigue, and upheaval. The more than 300 images here span the entire spectrum of photographic history, including rare nineteenth-century daguerreotypes, cartes de visite, and stereoviews. Much of Fernández's collection is little seen and never published, presenting a rich spectrum of personalities spanning more than a century: aristocratic racecar drivers, movie actors, and showgirls; magicians, spies, and campesinos. With an autobiographical introduction from the author, who was born in Havana and peppered with selections from Richard Blanco's alluring poetry, these pages take readers inside circuses, concerts, film sets, and street parades. From unlikely images of historical newsmakers, Fidel Castro drinking a Coca-Cola on a public bus to a roster of jet-setting celebrities such as Celia Cruz, Winston Churchill, and Mariela Febrer, *Cuba Then* is a welcome new edition of this seductive and lush photographic survey of the small island that continues to fascinate the world. Salon and Picturesque Photography in Cuba 1860-1920 Gary R. Libby, 1988. *Our Men in Havana* Kevin Kwan, 20?? Havana stands like a beacon at the edge of the sea, luring adventurers to her shores with the promise of fabulous riches: Spanish conquistadors, French buccaneers, the English Admiralty, American industrialist, and mafia gangsters.
