Handbook on Cuban History, Literature, and the Arts Mauricio A. Font, Araceli Tinajero, 2016-03-02 First Published in 2016 If scholarship on Cuban studies after the 1959 revolution focused on the historical and cultural aspects of the construction of a socialist order the post 1989 crisis of socialism in Central and Eastern Europe raised questions about the island s state as a socialist model The scholarly gaze gradually began to focus on possibilities for alternative transformations at various levels of social life rather than on the deepening of traditional twentieth century state socialism This volume explores the newly emergent themes and debates about Cuban society and history

Cuba Louis A. Pérez, 2015 Spanning the history of the island from pre Columbian times to the present this highly acclaimed survey examines Cuba s political and economic development within the context of its international relations and continuing struggle for self determination The dualism that emerged in Cuban ideology between liberal constructs of patria and radical formulations of nationality is fully investigated as a source of both national tension and competing notions of liberty equality and justice Author Louis A P rez Jr integrates local and provincial developments with issues of class race and gender to give students a full and fascinating account of Cuba s history focusing on its struggle for nationality

Diplomacy Meets Migration Hideaki Kami, 2018-06-28 Diplomacy Meets Migration examines diplomacy migration and the history of US relations with Cuba during the Cold War Hideaki Kami draws on declassified US and Cuban diplomatic sources as well as Miami Cuban lobby records to challenge traditional interpretations that mainly focus on the two national capitals Washington and Havana By incorporating Miami into the story of foreign affairs Kami assesses the intersection between migration and diplomacy and considers how migration emerged as a critical issue that shaped the dynamism of US relations with Cuba Kami demonstrates that the US government reformulated its Cuban policy in response to Fidel Castro s institutionalization of power while simultaneously trying to build a new relationship with the Miami Cuban community a new politically mobilized constituency within US society He shows how both migration control and migrant politics became important components of US foreign

policy which in turn influenced Cuban policy toward the United States Katholische Theologie in den USA Benjamin Dahlke, 2024-01-22 Seit dem Zweiten Weltkrieg hat die katholische Theologie in den USA Zug um Zug ein ganz eigenes unverwechselbares Profil gewonnen. Indem sie die Glaubenslehre unter Einbeziehung der gesellschaftlichen und kirchlichen Wirklichkeit in den Vereinigten Staaten reflektiert, ist sie zugleich amerikanisch und katholisch. Im deutschsprachigen Raum sind bislang lediglich einzelne theologische Entwürfe bekannt. Eine umfassende Darstellung, die auch kulturelle, geschichtliche und politische Faktoren einbezieht, fehlt dagegen. Das Buch von Benjamin Dahlke schließt diese Lücke. Auf kundige Weise zeichnet der Autor die großen Entwicklungslinien der katholischen Theologie in den USA seit 1945 nach und bietet einen kompakten Überblick über eine bedeutende eigenständige theologische Landschaft mit weltweiter Ausstrahlungskraft.

Scattered and Gathered Michael L. Budde, 2017-09-15 This volume takes its title from the first century Christian catechism called the Didache: "Even as this broken bread was scattered over the hills, gathered together and became one, so let Your Church be gathered together from the ends of the earth." For Christians today, these words remain relevant in an era of massive human movements, voluntary and coerced, hybrid identities, and wide-ranging cultural interactions. How do modern Christians live as both a scattered and gathered people? How do they live out the tension between ecclesial universality, catholicity, and particularity? distinctive ways of being church in a given culture and context? Do Christians today constitute a diaspora, a people dispersed across borders and cultures that nonetheless maintains a sense of commonality and mission? *Scattered and Gathered: Catholics in Diaspora* explores these questions through the work of fourteen scholars in different fields and from different corners of the world. Whether through reflections on Zimbabweans in Britain, Levantines in North America, or the remote island people of Chiloe, now living in other parts of Chile, they guide readers along the winding road of insights and challenges facing many of today's Christians.
