BRED By My Boss While My Husband Watches: Hot Cuckold Breeding Erotica

Stacy Stone, I cheated on my husband with my boss. I couldn't resist; he was younger and so much better looking, with a perfect muscular body and a massive throbbing shaft that was so much bigger than my husband's. I wasn't good at keeping secrets, and I felt guilty, so I confessed to my husband. Much to my surprise, he was turned on by my confession and he told me he wanted me to do it again. With him watching, I went into the office with my husband and let my boss BREED me with his huge shaft while my husband watched and jerked himself off like some kind of pervert. I couldn't believe my husband wanted to be a cuckold, but I guess it was his fantasy. And if it made him happy to be a cuckold, then I was happy too. Plus, I thought it might help spice up our sex life. But most importantly, it just felt so damn good to be screwed by my hot, naughty boss. It especially felt good when he finished inside me.
