Cuentos Newkirk Daniel B Flores:

Cuentos de Newkirk Daniel B. Flores, 2015-12-09 Cuentos de Newkirk is about the eastern Guadalupe county community of Newkirk New Mexico It traces the history of Newkirk back to its early days when the Chicago Rock Island and Pacific railroad first came into the area in 1901 which led to the settlement of the area The newborn community sprang up to meet the needs of the new railroad its workers and their families The new community was first known as Conant until its name was changed to Newkirk in 1910 The area was quickly populated as homesteaders were also attracted by the Homestead Act They earned their living by ranching and farming their homesteads Later in the 1920s a new highway came into the area a highway that would eventually evolve into U S Highway 66 The community adapted to help meet the needs of travelers on the new highway The community boomed in the 1930s by construction workers who poured into the area to help build Conchas Dam While most of the nation suffered in the throes of the Great Depression businesses in Newkirk were re vitalized by the construction of the dam and increasing traffic on Highway 66 The small community of Newkirk even had several nightclubs some of which operated around the clock to meet the needs of highway travelers and construction workers The boom ended after Conchas Dam was completed However the community continued to rely on Highway 66 traffic Unfortunately that came to an end in the 1960s when Interstate 40 replaced Highway 66 and Newkirk found itself bypassed by the new four lane road which passed through the area south of the historic old U S Highway 66 The many old crumbling buildings and houses in the Newkirk area today remain as silent reminders to its once glory days Interstate 40 traffic zips by at seventy five miles an hour Only an infrequent car will take the single exit into the now mostly deserted community There is a single gasoline station located at the intersection of the Conchas Dam road NM 129 and the forgotten remains of old Route 66 Cuentos de Newkirk consists of a series of vignettes each telling a story about the Newkirk of yore Most of the information has been taken from old newspaper articles about Conant and Newkirk Included are articles about many of the inhabitants who once considered Newkirk their home

Otros Recuerdos Daniel Flores, 2013-05-30 Otros Recuerdos is the fourth book in my Recuerdos series It follows Recuerdos Recuerdos II and Recuerdos III All the books in this series are a collection of short vignettes about events that have occurred in Guadalupe county since the late 1800s This installment of the Recuerdos series includes stories about Santa Rosa Puerto de Luna Cuervo Agua Negra Los Tanos Milagro Vaughn Pintada La Junta Newkirk Pintada and Pastura Some of the communities no longer exist They cannot be found in modern maps of the area yet at one time they were prospering communities in Guadalupe county La Junta and Los Tanos are two good examples of communities that have faded into time La Junta was located south of Dilia It was located at the point where the Gallinas River flowed into the Pecos River Junta is Spanish for the meeting or joining and the two rivers met or joined at La Junta Los Tanos sprang up east of Santa Rosa in 1901 It was a railroad boom town that quickly went bust It faded into history with the same speed that it had been created At one time it had a church and a school Like La Junta Los Tanos is now completely

deserted Newspaper articles are also used in many of the vignettes Most of the articles are from New Mexico newspapers but some are from articles that were published in newspaper from other states Those articles show that at a particular point in time the events that were happening in our county were significant enough to attract widespread coverage Some of the vignettes are about individuals in the county whose lives were of enough significance to have played an important role in the county s passage through time Those individuals contributed to the growth of the area Some were government officials while others were businessmen As in the previous books in the Recuerdos series I am continuing the use old photographs wherever possible to illustrate the story I find that people share a certain fascination with period photos Old photographs are very valuable in helping us reminisce about our past I am a firm believer that a picture is worth a thousand words Old photographs help protect and preserve memories of our past My friends and fellow senior citizens from the Santa Rosa Campos Senior Citizen Center have very graciously shared old stories and reminisces recuerdos about growing up in the area They have very willingly shared their cuentos stories of the area In this group are Joe Alcario Mart nez Elauterio Laute Lucero Lorenzo Tudy S nchez Charles Wiley William Billy Sierra Albert Friggie Campos David Luna Rudy S nchez and a husband and wife team Gilbert and Agnes Romero They have all been very willing to recount and share their wonderful memories of Santa Rosa and Guadalupe county The individual recuerdos help tell the story of our county s past Many are stories of successes and triumphs that were experienced by residents of the county Some are stories of tragedies that occurred Some tell about the lore of the area Others area about a way of life that no longer exists All help portray everyday events that cumulatively shape the history of Guadalupe county
