Culture Shock A Biblical Response To Today's Most Divisive Issues:

Culture Shock Chip Ingram, 2014-08-05 We live in a reactionary culture where divisive issues arise people on either side throw stones and everyone ends up more entrenched in their opinions than in reaching common ground or even exhibiting common courtesy If there ever was a time for Christians to understand and communicate God's truth about controversial and polarizing issues it is now Believers must develop convictions based on research reason and biblical truth and be able and willing to communicate these convictions with a love and respect that reflects God's own heart In *Culture Shock* bestselling author pastor and radio personality Chip Ingram shows readers how they can bring light rather than heat to the most controversial and divisive issues of our day Covering topics such as right and wrong sex homosexuality abortion politics and the environment *Culture Shock* is every engaged believer's must have guidebook to replacing reactionary hate with revolutionary love

Culture Shock Study Guide Chip Ingram, 2014-06-14 Where do you stand on issues like truth sex homosexuality abortion the environment and the church and politics More importantly what does God say Chip Ingram shows us how Scripture addresses these controversial topics in his series *Culture Shock* This companion study guide will help you learn how to respond with love even in the face of controversy Each study guide contains a code that allows you to stream Chip Ingram's video teaching for free

How to Read the Bible Like a Seminary Professor Mark Yarbrough, 2015-03-03 Many people admire and even revere the Bible but they simply do not understand what they read much less how to study Scripture Yet they wish they could In this insightful and alternately amusing guide Professor Mark Yarbrough shows how easy and gratifying it is to unlock the hidden truths of God's Word and to discover a world where reading the Bible doesn't just satisfy our curiosity but changes our life To do this the reader will step into the seminary classroom and observe the practical principles the tricks of the trade for becoming a more effective student of the Bible But Yarbrough has made sure that his writing style and general approach will be appealing to both academic students and those involved in lay level Bible study Real life is whacky and in your face Studying Scripture should be too

Becoming Community Olivia A. Phillips, 2021-10-15 How we minister matters especially to those who have already been hurt by the church Instead of ministering out of God's love and compassion the church has often ministered to the Queer community out of a deep rooted fear Why do we administer hatred instead of allowing the balm of the Holy Spirit's tender care to define our actions The integrity of the gospel message has been hurt by the way many of us have wielded the power we have been given *Becoming Community* is a call for us to renew our Christian commitment to social responsibility and justice as a primary focus of the church We must challenge the practices and visions which we hold most important in our communities Are our ministries truly inclusive to all who would seek to find solace at the feet of Christ Regardless of whether a person might adopt a philosophy of affirmation or denial of queer practices as God honoring one trait must remain in our response inclusion Without intentionally inclusive language care and practice can the church live up to the higher calling that we have been

given Is it possible for every individual to be genuinely included in our communities Essays on the Land, Ecotheology, and Traditions in Africa Benjamin Abotchie Ntreh, Mark S. Aidoo, Daniel Nii Aboagye Aryeh, 2019-08-21 The book explores how African Christians in Ghana can think eco theologically about the nexus of mining waste pollution water pollution and land degradation In 2017 the government of Ghana banned illegal mining and declared war against any activity that does not complement environmental protection and conservation of natural resources The Christian church needs academic resources to support the campaign against the destruction of the land water bodies and environment The papers presented generate theological imaginations in shaping the political campaign against the destruction of the land and the environment Reflection on areas related to the theme includes The Concept of Land in the Bible The Christian Church and the Galamsey Menace in West Africa The Fulani Cattle Headsmen and Care for the Land The Bible and the Environment Towards an Agenda for Eco theology in African Theological Institutions Stewardship of the Land The Menace of Mining in Ghana Destruction of Water Bodies in Ghana and The Menace of Plastic Waste in Ghana This volume will serve as a textbook for theological students the church and other governmental agencies **Toward Self-Sufficiency** George Hunt, 2018-11-16 George Hunt spent more than fifty years as a community planner and landscape architect This included hands on work in impoverished and low income areas which helped him understand the dynamics that hold us back from achieving self sufficiency In this book he outlines a sustainable community project that seeks to solve social problems that most community planners overlook The pilot project includes numerous ways to make communities self sufficient and while it s geared for those in middle and lower income brackets anyone can use its concepts He explains how multiple purpose buildings can be used to house a diversity of people ways to launch a business within the community by collaborating and sharing with others how to obtain a vocational work study program offered on site and more The book is also a reference manual on transition community design creating a purpose the meaning of happiness sustainable agricultural practices how to live without stuff and how to reduce anxiety and depression **The Real Heaven** Chip Ingram, Lance Witt, 2016-02-23 Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there But what does the Bible actually say about heaven What difference does it make What happens the moment after we die What will our relationships be like in heaven Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter Most importantly Ingram shows why our understanding of heaven matters now in this life Because what we believe about heaven actually affects us today in ways we may not have imagined *The Invisible War* Chip Ingram, 2015-08-25 Some Christians believe strongly in the existence of demons and spiritual warfare Others downplay or even ignore the idea With such divergent views how are Christians supposed to know the truth about demonic forces at work in this world The Invisible War examines what every believer needs to know about Satan demons and spiritual warfare offering a balanced look at this controversial subject This provocative book will help Christians understand what the Bible

says about these threats and will show them how they can safeguard themselves and their families through prayer Now repackaged for a new generation The Invisible War offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves Culture Shock Chip Ingram, Th.M.,2012-10-01 **Love, Sex, and Lasting**
