Democrips And Rebloodlicans No More Gangs In Government:

DemoCRIPS and ReBLOODlicans Jesse Ventura, 2013-05-01 DemoCRIPS and ReBLOODlicans uncovers the truth about how corporations have bought the American electoral and legislative process through the power of lobbyists campaign contributions and political action committees Covering historical details such as the development of the two party system and the advent of third party candidates throughout US history DemoCRIPS and ReBLOODlicans exposes how the two major parties acting like a gang land cabal have allowed corporations businesses and politically motivated wealthy individuals to manipulate elections bribe elected officials and in short silence the average American voter Exposing the ineptitude of both parties at insuring the integrity and vitality of American democracy Jesse Ventura advocates the replacement of the two party system for a no party system based on the ideals of our Founding Fathers As election time rolls around this is most certainly the book that should be looked at for reforming our electorate system The knowledge and research that have gone into DemoCRIPS and ReBLOODlicans is unmatched and if there was to be change this is most certainly where it should start

Outlaw Motorcycle Clubs and Street Gangs Tereza Kuldova, Martín Sánchez-Jankowski, 2018-04-25 This edited collection offers in depth essays on outlaw motorcycle clubs and street gangs Written by sociologists anthropologists and criminologists it asks the question of how the self proclaimed outlaws integrate into society While these groups may cultivate a deviant image these original studies show that we should not let ourselves be deceived by appearances These outlaws are paradoxically well integrated into mainstream society The essays read the relationship of these groups to the media law enforcement and society through the lens of their strategies of scheming legality and resisting criminalization These reveal most strikingly how the knowledge of social codes norms and mechanisms is put to use by these groups This groundbreaking volume provides answers to previously understudied questions through well researched case studies drawn from across Europe and United States With wide reaching implications for communities around the world this exciting collection of essays will be of great interest to academics and governmental institutions as well as students and general readers of anthropology sociology and criminology *Focus On: 100 Most Popular WWE Hall of Fame* Wikipedia contributors,
