Cuba Religion Social Capital And Development:

Cuba Adrian H. Hearn, 2008-08-18 Argues that grassroots cultural actors and religious organizations have come to play an important role in social development in Cuba since the early 1990s and that this process occurred with the active support and regulation of the state despite the st

Cuba in a Global Context Catherine Krull, 2014-01-20 Cuba in a Global Context examines the unlikely prominence of the island nation's geopolitical role The contributors to this volume explore the myriad ways in which Cuba has not only maintained but often increased its reach and influence in Latin America Europe Africa and Asia From the beginning the Castro regime established a foreign policy that would legitimize the revolutionary government if not in the eyes of the United States at least in the eyes of other global actors The essays in this volume shed new light on Cuban diplomacy with communist China as well as with Western governments such as Great Britain and Canada In recent years Cubans have improved their lives in the face of the ongoing U S embargo The promotion of increased economic and political cooperation between Cuba and Venezuela served as a catalyst for the Petrocaribe group Links established with countries in the Caribbean and Central America have increased tourism medical diplomacy and food sovereignty across the region Cuban transnationalism has also succeeded in creating people to people contacts involving those who have remained on the island and members of the Cuban diaspora While the specifics of Cuba's international relations are likely to change as new leaders take over the role of Cubans working to assert their sovereignty has undoubtedly impacted every corner of the globe

Anthropology and Religion Robert L. Winzeler, 2012-04-12 Drawing from ethnographic examples found throughout the world this revised and updated text offers an introduction to what anthropologists know or think about religion how they have studied it and how they have interpreted or explained it since the late nineteenth century Robert Winzeler's balanced consideration of classic topics basic concepts and new developments in the anthropological study of religion moves beyond cultural anthropology and ethnography to gather information from physical anthropology prehistory and archaeology Written as a sophisticated but accessible treatment of the issues Anthropology and Religion is a key text for upper division courses

Living Ideology in Cuba Katherine Gordy, 2015-06-02 A revealing look at the complicated and continual negotiation between the Cuban state and society over the meaning of socialism

Imagining Asia in the Americas Zelideth María Rivas, Debbie Lee-DiStefano, 2016-09-16 For centuries Asian immigrants have been making vital contributions to the cultures of North and South America Yet in many of these countries Asians are commonly viewed as undifferentiated racial others lumped together as chinos regardless of whether they have Chinese ancestry How might this struggle for recognition in their adopted homelands affect the ways that Asians in the Americas imagine community and cultural identity The essays in Imagining Asia in the Americas investigate the myriad ways that Asians throughout the Americas use language literature religion commerce and other cultural practices to establish a sense of community commemorate their countries of origin and anticipate the possibilities presented by life in a new land

Focusing on a variety of locations across South America Central America the Caribbean and the United States the book's contributors reveal the rich diversity of Asian American identities Yet taken together they provide an illuminating portrait of how immigrants negotiate between their native and adopted cultures Drawing from a rich array of source materials including texts in Spanish Portuguese Korean Japanese Chinese and Gujarati that have never before been translated into English this collection represents a groundbreaking work of scholarship Through its unique comparative approach *Imagining Asia in the Americas* opens up a conversation between various Asian communities within the Americas and beyond *Evangelical Review of Theology, Volume 45, Number 4, November 2021* Thomas Schirrmacher, 2022-11-08 ERT publishes quality articles and book reviews from around the world both original and reprinted from an evangelical perspective reflecting global evangelical scholarship for the purpose of discerning the obedience of faith and of relevance and importance to its international readership of theologians educators church leaders missionaries administrators and students The journal is published as a ministry rather than as a commercial project seeking to be of service to the worldwide spread of the gospel and the building up of the church and its leadership in co ordination with the World Evangelical Alliance's broader mission and activities **The Cuba Reader** Aviva Chomsky, Barry Carr, Alfredo Prieto, Pamela Maria Smorkaloff, 2019-05-17 Tracking Cuban history from 1492 to the present The Cuba Reader includes more than one hundred selections that present myriad perspectives on Cuba's history culture and politics The volume foregrounds the experience of Cubans from all walks of life including slaves prostitutes doctors activists and historians Combining songs poetry fiction journalism political speeches and many other types of documents this revised and updated second edition of The Cuba Reader contains over twenty new selections that explore the changes and continuities in Cuba since Fidel Castro stepped down from power in 2006 For students travelers and all those who want to know more about the island nation just ninety miles south of Florida The Cuba Reader is an invaluable introduction *Resilient Cities in the Global South* Lakshmi Priya Rajendran, NezHapi-Dellé Odeleye, Aysegul Can, 2025-07-22 Post pandemic cities face new challenges in adapting to global changes while also addressing the needs practices and capabilities of diverse populations Resilience as a key factor enables cities to adapt and transform in response to these challenges Development driven by resilience is crucial for urban society's ability to adapt and evolve on multiple levels However in developed countries increasingly standardised planning and development practices often hinder citizen engagement and participation which are essential for building resilient cities This book adopts an interdisciplinary approach to examine how diverse social and spatial behaviours within informal urban environments particularly in developing countries can provide fresh insights for robust urban planning and development The book is structured in three parts 1 North South Relations this part explores the global discourse on informality highlighting its presence in both the Global North and South 2 Grassroots this part focusses on grassroots initiatives and community driven resilience within urban informality and 3 Institutional Strategies and Professional Alliances the final part delves into the role

of institutions and professional collaborations in shaping urban informality By presenting a range of perspectives and experiences this book contributes to a unique Southern framework that positions informality as a dialogue for enabling resilience It will appeal to a multidisciplinary audience including professionals from fields such as sociology history environmental psychology cultural studies human geography urban design and planning architecture and anthropology

Religious Communities and Civil Society in Europe Rupert Graf Strachwitz,2019-08-19 The seemingly vitalizing impact of religiosity on civil society is a research topic that has been extensively looked into not only in the USA but increasingly also in a European context What is missing is an evaluation of the role of institutionalized religious communities and of circumstances that facilitate or impede their status as civil society organisations This anthology in two volumes aims at closing this gap by providing case studies regarding political legal and historical aspects in various European countries Vol I provides an introduction and looks at cases in Greece Italy the Netherlands Sweden and Bosnia and Herzegovina as well as chapters on legal issues and data and comprehensive bibliography Cuban Intersections of Literary and Urban Spaces Carlos Riobó,2011-10-01 A collection of essays on theories of space in relation to Havana
